Needs and Uses: The Department of War (DoW) is required by law to provide comprehensive relocation and housing assistance to service members and their families. This information collection is necessary to operate the enterprise Military Housing System (eMH) suite of tools, which enables the DoW to meet its legal obligations to provide home-finding services and manage military housing programs effectively.

The information collected is used to support service members and their families through several web-based applications:

- *HOMES.mil Rental Listing Service:* Property owners voluntarily provide information to list rental properties, creating a centralized inventory for service members seeking community housing. Service members can view listings and request assistance from military housing offices. The data also supports the calculation of housing allowances.

- *Housing Early Assistance Tool (HEAT):* Service members and their families use this tool to submit requests for information and housing services directly to their destination installation's military housing office.

- *DoD Housing Feedback System (DHFS):* This platform allows active-duty service members and their dependents to submit feedback, comments, or concerns about their experiences in privatized military housing, promoting transparency and accountability with housing providers.

This information collection is authorized by 10 U.S.C. 1056, 10 U.S.C. 2831, and DoD Instruction 4165.63.

Affected Public: Individuals or households; Business or other for-profit.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP26-540-000]

Tennessee Gas Pipeline Company, L.L.C.; Notice of Application and Establishing Intervention Deadline

Take notice that on June 5, 2026, Tennessee Gas Pipeline Company, L.L.C. (TGP), 1001 Louisiana Street, Houston, Texas 77002, filed an application under section 7(c) of the Natural Gas Act (NGA) and Part 157 of the Commission's regulations requesting authorization for its South Texas Enhancement Project (Project). The Project consists of the construction of the STEP Loop which consists of approximately 1.54 miles of new 30-inch-diameter pipeline loop, a skid mounted overpressure protection facility to tie the proposed STEP Loop into TGP's existing system, and modifications to three existing meter stations all in Nueces County, Texas; the construction of a new 15,900 horsepower compressor station in Brooks County, Texas; and appurtenant facilities. The Project will allow TGP to deliver up to 319,000 dekatherms per day of additional system capacity from new primary receipt points near Agua Dulce to serve growing commercial gas demand at existing delivery points at the Mexico border. TGP estimates the total cost of the Project to be \$91,808,000, all as more fully set forth

in the application which is on file with the Commission and open for public inspection.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://www.ferc.gov>). From the Commission's Home Page on the internet, this information is available on eLibrary. The full text of this document is available on eLibrary in PDF and Microsoft Word format for viewing, printing, and/or downloading. To access this document in eLibrary, type the docket number excluding the last three digits of this document in the docket number field.

User assistance is available for eLibrary and the Commission's website during normal business hours from FERC Online Support at (202) 502-6652 (toll free at 1-866-208-3676) or email at ferconlinesupport@ferc.gov, or the Public Reference Room at (202) 502-8371, TTY (202) 502-8659. Email the Public Reference Room at public.referenceroom@ferc.gov.

Any questions regarding the proposed project should be directed to Tina Hardy, Director, Regulatory, Tennessee Gas Pipeline Company, L.L.C., 569 Brookwood Village, Suite 749, Birmingham, Alabama 35209, by phone at (205) 325-3668, or by email at tina_hardy@kindermorgan.com.

Pursuant to section 157.9 of the Commission's Rules of Practice and Procedure,¹ within 90 days of this Notice the Commission staff will either: complete its environmental review and place it into the Commission's public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or environmental assessment (EA) for this proposal. The filing of an EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

¹ 18 CFR 157.9.

Public Participation

There are three ways to become involved in the Commission's review of this project: you can file comments on the project, you can protest the filing, and you can file a motion to intervene in the proceeding. There is no fee or cost for filing comments or intervening. The deadline for filing a motion to intervene is 5:00 p.m. Eastern Time on July 9, 2026. How to file protests, motions to intervene, and comments is explained below.

For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, contact the Office of Public Participation (OPP) at (202) 502-6595 or OPP@ferc.gov.

Comments

Any person wishing to comment on the project may do so. Comments may include statements of support or objections, to the project as a whole or specific aspects of the project. The more specific your comments, the more useful they will be.

Protests

Pursuant to sections 157.10(a)(4)² and 385.211³ of the Commission's regulations under the NGA, any person⁴ may file a protest to the application. Protests must comply with the requirements specified in section 385.2001⁵ of the Commission's regulations. A protest may also serve as a motion to intervene so long as the protestor states it also seeks to be an intervenor.

To ensure that your comments or protests are timely and properly recorded, please submit your comments on or before 5:00 p.m. Eastern Time on July 9, 2026.

There are three methods you can use to submit your comments or protests to the Commission. In all instances, please reference the Project docket number CP26-540-000 in your submission.

(1) You may file your comments electronically by using the eComment feature, which is located on the Commission's website at www.ferc.gov under the link to Documents and Filings. Using eComment is an easy method for interested persons to submit brief, text-only comments on a project;
