Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year-to-year an annual license to the then licensee(s) under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 3255 is issued to Lyonsdale Associates, LLC for a period effective June 1, 2026, through May 31, 2027, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first.

If issuance of a new license (or other disposition) does not take place on or before May 31, 2027, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that the Lyonsdale Associates, LLC is authorized to continue operation of the Lyonsdale Hydroelectric Project under the terms and conditions of the prior license until the issuance of a subsequent license for the project or other disposition under the FPA, whichever comes first.

SUPPLEMENTARY INFORMATION: Proposal to renew the following currently approved collection of information:

1. **Title:** Notification of Performance of Bank Services.

OMB Number: 3064-0029.

Form Number: 6120/06.

Affected Public: Insured state nonmember banks and state savings associations.

Burden Estimate:

SUMMARY OF ESTIMATED ANNUAL BURDEN (OMB No. 3064-0029)

Information collection (IC) (obligation to respond)	Type of burden (frequency of response)	Number of respondents	Number of responses per respondent	Average time per response (HH:MM)	Annual burden (hours)
1. Notification of Performance of Bank Services, 12 CFR 304.3 (Mandatory).	Reporting (On Occasion)	308	2.03	00:30	313
Total Annual Burden (Hours)					313

Source: FDIC.

Note: The estimated annual IC time burden is the product, rounded to the nearest hour, of the estimated annual number of responses and the estimated time per response for a given IC. The estimated annual number of responses is the product, rounded to the nearest whole number, of the estimated annual number of respondents and the estimated annual number of responses per respondent. This methodology ensures the estimated annual burdens in the table are consistent with the values recorded in OMB's consolidated information system.

General Description of Collection: Insured state nonmember banks are required to notify the FDIC, under section 7 of the Bank Service Company Act (12 U.S.C. 1867), of the relationship with a bank service company. The Form FDIC 6120/06, Notification of Performance of Bank Services, may be used by banks to satisfy the notification requirement. There is no change in the

method or substance of the collection. The estimated annual burden has decreased by 12 hours, from 325 hours in 2023 to 313 hours in this ICR. This decrease is attributable to a reduction in the estimated number of responses. The time and frequency of responses remain unchanged.

2. **Title:** Treatment by the FDIC as Conservator or Receiver of Financial

Assets Transferred by an Insured Depository Institution in Connection With a Securitization or Participation After September 30, 2010.

General Description of Collection: Part 360.6 of the FDIC's regulations sets forth certain conditions that must be satisfied for a securitization transaction sponsored by an insured depository institution to be eligible for special treatment in the event that the FDIC is appointed receiver or conservator.
