Forest Service

Title: Forest Service Ride-Along Program Application.

OMB Control Number: 0596–0170.

Summary of Collection: The Forest Service (FS) Law Enforcement and Investigations (LE&I) Ride-Along Program allows the general public or other interested persons to accompany Agency law enforcement personnel as they conduct their normal field duties, including access to and discussions about Agency law enforcement vehicles, procedures, and facilities. This program provides an opportunity for officers to enhance the public's understanding and support of the Forest Service's law enforcement program while the officers learn about public and community issues and concerns.

The program offers the additional benefit of aiding the Agency's recruitment program by allowing interested persons to observe and participate in innovative intern-type programs. This access also provides the Agency with an opportunity to showcase the quality of the law enforcement program and services.

Need and Use of the Information: Information will be collected from any person who voluntarily approaches the FS and wishes to participate in the program. The FS 5300–33 program application form will be used to conduct a minimal background check and the FS 5300–34 is a liability waiver form that requires the applicant's signature and their written assurance that they have read and understood the form. The information collected from the forms will be used by FS and, in appropriate part, by any person or entity needed and authorized by the FS to provide the needed background information (primarily applicable local law enforcement agencies, state criminal justice agencies maintaining state justice records, and by the FBI). If the information is not collected, the program could not operate.
