IV. Request for Comments

We are soliciting public comments to permit the Department/Bureau to: (a) Evaluate whether the proposed information collection is necessary for the proper functions of the Department, including whether the information will have practical utility; (b) Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used; (c) Evaluate ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Comments that you submit in response to this notice are a matter of public record. We will include, or summarize, each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you may ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Sheleen Dumas,

Departmental PRA Compliance Officer, Office of the Under Secretary for Economic Affairs, Commerce Department.

Foreign-Trade Zones Board

[B–84–2026]

Foreign-Trade Zone (FTZ) 43, Notification of Proposed Production Activity; Pfizer Inc.; (Pharmaceutical Products); Kalamazoo and Portage, Michigan

Pfizer Inc. submitted a notification of proposed production activity to the FTZ Board (the Board) for its facilities in Kalamazoo and Portage, Michigan within Subzone 43E. The notification conforming to the requirements of the Board's regulations (15 CFR 400.22) was received on July 9, 2026.

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status material(s)/component(s) and specific finished product(s) described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board's website—accessible via *www.trade.gov/ftz.* The proposed finished product(s) and material(s)/component(s) would be added to the production authority that the Board previously approved for the operation, as reflected on the Board's website.

The proposed finished product is phthalimido lactol (pharmaceutical Intermediate product, white to off-white crystalline solid) (duty rate 6.5%).

The proposed foreign-status material/component is 3-phthalimidopropionaldehyde (3–PPA, white to off white powder) (duty rate 6.5%).

The request indicates that the material/component is subject to duties under section 232 of the Trade Expansion Act of 1962 (section 232) and or section 301 of the Trade Act of 1974 (section 301), depending on the country of origin. The applicable section 232 and section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: *ftz@trade.gov.* The closing period for their receipt is August 31, 2026.

A copy of the notification will be available for public inspection in the ''Online FTZ Information System'' section of the Board's website.

For further information, contact Christopher Wedderburn at *Chris.Wedderburn@trade.gov.*

Dated: July 15, 2026.

Elizabeth Whiteman,

Executive Secretary.
