

Ethnobotanical Laboratory for analysis by J.E. Pearce in 1933. Dating for the site is unknown.

The University of Michigan has no record of, nor do its officials have any knowledge of, any treatment of the associated funerary object with pesticides, preservatives, or other substances that represent a potential hazard to the collection or to persons handling the collection.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the associated funerary object described in this notice.

Determinations

The University of Michigan has determined that:

- The one object described in this notice is reasonably believed to have been placed intentionally with or near individual Ancestral remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the associated funerary object described in this notice and the Alabama-Coushatta Tribe of Texas; Cheyenne and Arapaho Tribes, Oklahoma; Comanche Nation, Oklahoma; Coushatta Tribe of Louisiana; Kiowa Tribe (previously listed as Kiowa Indian Tribe of Oklahoma); Mescalero Apache Tribe of the Mescalero Reservation, New Mexico; The Seminole Nation of Oklahoma; and the Tonkawa Tribe of Indians of Oklahoma.

Requests for Repatriation

Written requests for repatriation of the associated funerary object in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the associated funerary object described in this notice to a requestor may occur on or after August 21, 2026. If competing requests for repatriation are received, the University of Michigan must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the associated funerary

object are considered a single request and not competing requests. The University of Michigan is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.

Notice of Inventory Completion: The University of Tennessee, Department of Anthropology, Knoxville, TN, and the Frank H. McClung Museum of Natural History & Culture, Knoxville, TN

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the University of Tennessee, Department of Anthropology and the Frank H. McClung Museum of Natural History & Culture (UTK), have completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after August 21, 2026.

ADDRESSES: Send written requests for repatriation of the human remains and associated funerary objects in this notice to Dr. Ellen Lofaro, University of Tennessee, Office of Repatriation, 5723 Middlebrook Pike, Knoxville, TN 37996, email nagpra@utk.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of UTK, and additional information on the determinations in this notice, including

the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, five individuals have been identified along with their belongings. The 10 lots of associated funerary objects include glass, shell and other beads, buttons, crotal bells, copper objects including tinkling cones, and other historic period cultural items.

These Ancestors and their belongings were removed during a 1938 Works Progress Administration project conducted at 40PK1, Ocoee, in Polk County, Tennessee. They were removed from unit 2PK1 which was identified as a Historic Cherokee town, and the Ancestors were identified as Historic Cherokee based on associated site features and cultural material.

UTK records indicate that preservatives, glues and lacquer have been utilized on some of the Ancestors in the laboratory for preservation and reconstruction purposes.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains and associated funerary objects described in this notice.

Determinations

UTK has determined that:

- The human remains described in this notice represent the physical remains of five individuals of Native American ancestry.
- The 10 lots of objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- There is a connection between the human remains and associated funerary objects described in this notice and the Cherokee Nation; Eastern Band of Cherokee Indians; and the United Keetoowah Band of Cherokee Indians in Oklahoma.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization

not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after August 21, 2026. If competing requests for repatriation are received, UTK must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. UTK is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.

[Docket No. ONRR–2022–0003; DS63636400 DRT000000.CH7000 267D1113RT]

2026 Civil Monetary Penalty Inflation Adjustments
AGENCY: Office of Natural Resources Revenue (“ONRR”), Interior.
ACTION: Notice.

SUMMARY: Pursuant to the Federal Civil Penalties Inflation Adjustment Act of 1990, as amended by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (collectively referred to herein as the “Inflation Adjustment Acts”), and Office of Management and Budget (“OMB”) guidance, ONRR annually adjusts its civil monetary penalty (“CMP”) amounts it assesses under the Federal Oil and Gas Royalty Management Act of 1982 (“FOGRMA”) for inflation. This notice is to inform the public that, per OMB direction, ONRR is retaining the 2025 CMP amounts for calendar year 2026.

DATES: This notice is applicable on July 22, 2026.
FOR FURTHER INFORMATION CONTACT: For questions on procedural issues, contact Ginger Hensley, Regulatory Specialist, by telephone at (303) 231–3171 or by

email to Ginger.Hensley@onrr.gov. For questions on technical issues, contact Michael Marchetti, Enforcement & Financial Compliance Program Manager, by telephone at (303) 231–3125 or by email to Michael.Marchetti@onrr.gov.

SUPPLEMENTARY INFORMATION:
I. Background
FOGRMA, at 30 U.S.C. 1719(a)–(d), authorizes the Secretary of the Interior (“Secretary”) to assess CMPs for royalty reporting and other violations. Pursuant to the authority delegated to it by the Secretary, ONRR published regulations at 30 CFR part 1241 implementing the Secretary’s CMP authority. The Inflation Adjustment Acts require Federal agencies to publish annual CMP inflation adjustments in the **Federal Register** by January 15 of each year.

OMB Memorandum No. M–26–11 (April 17, 2026) cancelled penalty inflation adjustments for 2026 “based on the lack of October 2025 CPI–U data due to the lapse in appropriations.” Because of this cancellation, ONRR is unable to adjust CMP amounts without the inflation factor. Per OMB’s direction, ONRR will retain its 2025 CMP inflation adjustments as published in 90 FR 1878 (January 10, 2025) for calendar year 2026.

II. ONRR’s Inflation-Adjusted Maximum Rates
This notice retains the 2025 maximum CMP dollar amounts for each of the four violation categories set forth in 30 U.S.C. 1719(a)–(d) and implemented by 30 CFR part 1241. The following table identifies the applicable ONRR regulations and the dollar amounts established in the regulations.

30 CFR Citation	2025/2026 Current maximum penalty
1241.52(a)(2)	\$1,562
1241.52(b)	15,628
1241.60(b)(1)	31,252
1241.60(b)(2)	78,134

Notice Pursuant to the National Cooperative Research and Production Act of 1993—OpenJS Foundation

Notice is hereby given that, on June 5, 2026, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), OpenJS Foundation has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, TuxCare, Inc., St. Petersburg, FL; and Aikido Security BV, Ghent, KINGDOM OF BELGIUM, have been added as parties to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and OpenJS Foundation intends to file additional written notifications disclosing all changes in membership.
On August 17, 2015, OpenJS Foundation filed its original notification pursuant to section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to section 6(b) of the Act on September 28, 2015 (80 FR 58297).
The last notification was filed with the Department on March 5, 2026. A notice was published in the **Federal Register** pursuant to section 6(b) of the Act on March 26, 2026 (91 FR 14718).
