SUPPLEMENTARY INFORMATION: The information collected on SBA Form 480, “Size Status Declaration” is a certification of small business size status for purposes of the Small Business Investment Company (SBIC) program. This information collection is used to determine whether SBIC financial assistance is provided only to small business concerns as defined in the Small Business Investment Act of 1958, as amended, and SBA size regulations. Without this certification, businesses that exceed SBA’s size standards could benefit from program resources meant for small businesses.
