SUPPLEMENTARY INFORMATION: The information collected on SBA Form 480, “Size Status Declaration” is a certification of small business size status for purposes of the Small Business Investment Company (SBIC) program. This information collection is used to determine whether SBIC financial assistance is provided only to small business concerns as defined in the Small Business Investment Act of 1958, as amended, and SBA size regulations. Without this certification, businesses that exceed SBA’s size standards could benefit from program resources meant for small businesses.

Solicitation of Public Comments

SBA invites the public to submit comments, including specific and detailed suggestions on ways to improve the collection and reduce the burden on respondents. Commenters should also address (i) whether the information collection is necessary for the proper performance of SBA’s functions, including whether it has any practical utility; (ii) the accuracy of the estimated burdens; (iii) ways to enhance the quality, utility, and clarity of the information to be collected; and (iv) the use of automated collection techniques or other forms of information technology to minimize the information collection burden on those who are required to respond.
