DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

[Office of Management and Budget: 0970–0558]

Submission for Office of Management and Budget Review; Generic for Administration for Children and Families Program Monitoring Activities

AGENCY: Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Administration for Children and Families (ACF) intends to request from the Office of Management and Budget (OMB) an extension of approval for an umbrella generic clearance for information collections related to ACF program office monitoring activities. ACF programs promote the economic and social well-being of families, children, individuals, and communities. The Generic for ACF

Program Monitoring Activities allows ACF program offices to collect standardized information from recipients that receive federal funds to ensure oversight, evaluation, support purposes, and stewardship of federal funds. There are no changes proposed to the terms of the generic. Burden estimates have been updated.

DATES: *Comments due* August 21, 2026.

ADDRESSES: The public may view and comment on this information collection request at: https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202607-0970-010. You can also obtain copies of the proposed collection of information by emailing infocollection@acf.hhs.gov. Identify all emailed requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: Program monitoring is a post-award process through which ACF assesses a recipient's programmatic performance and business management performance. Monitoring activities are necessary to ensure timely action by ACF to support grantees and protect federal interests. Program offices use information collected under this generic clearance to monitor funding recipient activities and to provide support or take appropriate action, as needed. The information gathered is or will be used primarily for internal purposes, but aggregate data may be included in public materials such as reports to Congress or program office documents. Following standard OMB requirements, ACF will submit a request for each individual data collection activity under this generic clearance. Each request will include the individual form(s) or instrument(s), a justification specific to the individual information collection, and any supplementary documents.

Respondents: ACF funding recipients.

Annual Burden Estimates

The following burden estimates include burden associated with currently approved individual requests that ACF intends to include with this extension request and an estimate of burden for potential new requests under this generic. Note that new individual requests may be approved between this publication and submission of the full extension request.

All currently approved individual requests are available here: https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202604-0970-004.
