Title of Collection: ED–524 Budget Information Non-Construction Programs Form and Instructions.

OMB Control Number: 1894–0008.

Type of Review: Extension without change of a currently approved ICR.

Respondents/Affected Public: Private Sector.

Total Estimated Number of Annual Responses: 8,800.

Total Estimated Number of Annual Burden Hours: 154,000.

Abstract: The ED 524 form and instructions are included in U.S. Department of Education (ED) discretionary grant application packages and are needed in order for applicants to submit summary-level budget data by budget category, as well as a detailed budget narrative, to request and justify their proposed grant budgets as part of their grant applications. At the time of application, ED applicants submit budget information on the ED 524 for both Federal funds requested and for the non-Federal match or cost-sharing funds they are committing to the proposed project (either statutorily required or provided as a voluntary commitment) for each budget period of a multi-year project. Please note that Education Department General Administrative

Regulations (EDGAR), (34 CFR 75.117) requires that an applicant that proposes a multi-year project must include in its application a budget narrative accompanied by a budget form prescribed by the Secretary, that provides budget information for each budget period of the proposed project period. In order to prepare the non-Federal portion of the budget for the ED 524, the applicant must already have had this information on hand in their internal grant accounting records. Under Uniform Administrative Requirements, 2 CFR 200.306, as applicable, a grantee is required to maintain this information regarding cost-sharing and matching resources.
