Evonik Corporation, Filing of Food Additive Petition (Animal Use)

AGENCY: Food and Drug Administration, HHS.

ACTION: Notification of petition.

SUMMARY: The Food and Drug Administration (FDA or we) is announcing that we have filed a food additive petition, submitted by Evonik Corporation, proposing that we amend our food additive regulations to provide for the safe use of ethyl cellulose as a binder and coating on amino acids incorporated into food for ruminant animals.

DATES: The food additive petition was filed on June 16, 2026.

ADDRESSES: For access to the docket to read background documents or comments received, go to <https://www.regulations.gov> and insert the docket number found in brackets in the heading of this document into the “Search” box and follow the prompts, and/or go to the Dockets Management Staff, 5630 Fishers Lane, Rm. 1061, Rockville, MD 20852, 240–402–7500.

FOR FURTHER INFORMATION CONTACT: Megan Hall, Center for Veterinary Medicine, Food and Drug Administration, 5001 Campus Drive, College Park, MD 20740, 240–796–3801, Megan.Hall@fda.hhs.gov.

SUPPLEMENTARY INFORMATION: Under section 409(b)(5) of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 348(b)(5)), we are giving notice that we have filed a food additive petition (FAP 2326), submitted by Evonik Corporation, 1701 Barrett Lakes Blvd., Kennesaw, GA

30144. The petition proposes that we amend our food additive regulations in 21 CFR part 573—Food Additives Permitted in Feed and Drinking Water of Animals, to provide for the safe use of ethyl cellulose as a binder and coating on amino acids incorporated into food for ruminant animals.

The petitioner has claimed that this action is categorically excluded under 21 CFR 25.32(r) because it is of a type that does not individually or cumulatively have a significant effect on the human environment. In addition, the petitioner has stated that, to their knowledge, no extraordinary circumstances exist that may significantly affect the quality of the human environment. If FDA determines a categorical exclusion applies, neither an environmental assessment nor an environmental impact statement is required. If FDA determines a categorical exclusion does not apply, we will request an environmental assessment and make it available for public inspection.

and International Affairs.*

RIN 1506–AB75

Proposed Amendment to the Definition of Huione Group, a Financial Institution Operating Outside the United States of Primary Money Laundering Concern; Extension of Comment Period

AGENCY: Financial Crimes Enforcement Network (FinCEN), Treasury.

ACTION: Notice of proposed rulemaking; extension of comment period.

SUMMARY: FinCEN is extending the comment period for the referenced notice of proposed rulemaking (NPRM) it published to amend the existing definition of Huione Group to include, within the definition of that group, H-Pay Service PLC, and adding and defining the term “successor entity,” due to a technological issue with the portal that prevented the public from electronically filing comments to this NPRM for multiple days.

DATES: Written comments on the NPRM must be submitted on or before August 2, 2026.

ADDRESSES: Comments must be submitted in one of the following two ways (please choose only one of the ways listed):

- **Federal E-rulemaking Portal:** <https://www.regulations.gov>. If you are reading this document on [federalregister.gov](https://www.federalregister.gov), you may use the green “SUBMIT A PUBLIC COMMENT” button beneath this rulemaking’s title to submit a comment to the [regulations.gov](https://www.regulations.gov) docket.

- **Mail:** Financial Crimes Enforcement Network, P.O. Box 39, Vienna, VA 22183. Refer to Docket Number FINCEN–2026–0166 in the submission.

Do not include any personally identifiable information (such as name, address, or other contact information) or confidential business information that you do not want publicly disclosed. All comments are public records; they are publicly displayed exactly as received, and will not be deleted, modified, or redacted. Comments may be submitted anonymously.

Follow the search instructions on <https://www.regulations.gov> to view public comments.

FOR FURTHER INFORMATION CONTACT: The FinCEN Resource Center at www.fincen.gov/contact.

SUPPLEMENTARY INFORMATION: On June 25, 2026, FinCEN published an NPRM in the **Federal Register** seeking comments from interested parties on an amendment of the existing definition of Huione Group to include, within the definition of that group, H-Pay Service PLC, and adding and defining the term “successor entity.”¹ However, it came to FinCEN’s attention that members of the public were unable to submit comments electronically for six days, from June 25 to June 30, due to a technological issue with the applicable portal. Because an extension will allow additional interested parties to provide comments, FinCEN has determined that it is appropriate in this instance to extend the comment period for an additional six (6) days. Thus, comments on the NPRM may be submitted on or before August 2, 2026.

Dated: July 22, 2026.

Jimmy L. Kirby,

*Deputy Director, Financial Crimes
Enforcement Network.*
