SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235-0085]

Agency Information Collection Activities; Proposed Collection; Comment Request; Extension: Rule 17a-11

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 17a-11, Notification Provisions for Brokers and Dealers (17 CFR 240.17a-11), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

The Commission adopted Rule 17a-11 on July 11, 1971 in response to an operational crisis in the securities industry between 1967 and 1970. The rule requires broker-dealers that are experiencing financial or operational difficulties to provide notice to the Commission, the broker-dealer's designated examining authority ("DEA"), and the Commodity Futures Trading Commission ("CFTC") if the broker-dealer is registered with the CFTC as a futures commission merchant. Rule 17a-11 is an integral part of the Commission's financial responsibility program which enables the Commission, a broker-dealer's DEA, and the CFTC to increase surveillance of a broker-dealer experiencing difficulties and to obtain any additional information necessary to gauge the broker-dealer's financial or operational condition.

Rule 17a-11 also requires over-the-counter derivatives dealers and broker-dealers that are permitted to compute net capital pursuant to Appendix E to Exchange Act Rule 15c3-1 to notify the Commission when their tentative net capital drops below certain levels.

To ensure the provision of these types of notices to the Commission, Rule 17a-11 requires every national securities exchange or national securities association to notify the Commission when it learns that a member broker-dealer has failed to send a notice or transmit a report required under the Rule.

Compliance with the Rule is mandatory. The Commission will generally not publish or make available to any person notices or reports received pursuant to Rule 17a-11. The Commission believes that information obtained under Rule 17a-11 relates to a condition report prepared for the use of the Commission, other federal governmental authorities, and securities industry self-regulatory organizations responsible for the regulation or supervision of financial institutions.

The Commission estimates that the total hour burden under Rule 17a-11 is approximately 201 hours per year.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the SEC, including whether the information will have practical utility; (b) the accuracy of the SEC's estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated, electronic collection techniques or other forms of information technology.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments on this 60-Day Collection Notice to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg via email to PaperworkReductionAct@sec.gov by September 25, 2026.

Dated: July 22, 2026.

Assistant Secretary.
