

with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. The Department is soliciting comments on the proposed information collection request (ICR) that is described below. The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Eligible Career Pathway Program.

OMB Control Number: 1845–0175.

Type of Review: Extension without change of a currently approved ICR.

Respondents/Affected Public: State, Local, and Tribal Governments; Private Sector.

Total Estimated Number of Annual Responses: 5,000.

Total Estimated Number of Annual Burden Hours: 50,000.

Abstract: Section 668.157, under the authority of section 484 of the HEA, specifies the documentation requirements for eligible career pathway programs for submission by institutions to the Department for approval as a Title IV eligible program. Enrollment in an eligible career pathways program is one of the three Ability to Benefit (ATB) alternatives that an individual who is not a high school graduate could fulfill to receive Title IV, HEA, Federal student aid.
