

Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 15c2–1 prohibits broker-dealers from commingling under the same lien securities of their margin customers with securities of the broker-dealer and those of other customers without their written consent. The rule also prohibits the re-hypothecation of customers’ margin securities for a sum in excess of the customer’s aggregate indebtedness. Respondents must collect information necessary to prevent the re-hypothecation of customer securities, issue and retain copies of notices of hypothecation of customer securities, and collect written consents from customers.

There are approximately 54 respondents. Each of these respondents makes an estimated 45 responses per year and each response takes approximately 0.5 hours to complete, resulting in an industry-wide annual burden of approximately 1,215 hours.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the SEC, including whether the information will have practical utility; (b) the accuracy of the SEC’s estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated, electronic collection techniques or other forms of information technology.

Please direct your written comments on this 60-Day Collection Notice to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg via email to PaperworkReductionAct@sec.gov by September 28, 2026.
