SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Intercontinental Ballistic Missile Hardened Intersite Cable Right-of-Way Landowner Questionnaire; AF Form 3951; OMB Control Number 0701-0141.

Needs and Uses: This form collects updated landowner/tenant information as well as data on local property conditions which could adversely affect the Hardened Intersite Cable System (HICS) such as soil erosion, projected/building projects, evacuation plans, etc. This information also aids in notifying landowners/tenants when HICS preventative or corrective maintenance becomes necessary to ensure uninterrupted Intercontinental Ballistic Missile command and control capability. The information collection requirement is necessary to report changes in ownership/lease

information, conditions of missile cable route and associated appurtenances, and projected building/excavation projects. The information collected is used to ensure system integrity and to maintain a close contact public relations program with involved personnel and agencies.
