SUPPLEMENTARY INFORMATION:

Agenda

The Scientific and Statistical Committee (SSC) will meet to discuss the Council’s final Risk Policy, as approved in June 2026, and plans for implementation. They will receive updates from the SSC Social Sciences Subcommittee and plans for next steps. The committee will also review information provided by the Atlantic Herring Plan Development Team, including outcomes of the 2026 management track assessment; recommend the overfishing limits and acceptable biological catches for Atlantic herring for fishing years 2027–

2031. Also on the agenda is review of the outcomes of the SSC workshop on dynamic reference points and plans for next steps. Other business will be discussed as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council’s intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Cate O’Keefe, Executive Director, at 978–465–0492, at least 5 days prior to the meeting date.

DEPARTMENT OF DEFENSE

Department of the Air Force

[Docket ID: USAF–2026–HQ–0100]

Proposed Collection; Comment Request

AGENCY: Department of the Air Force, Department of Defense (DoD).

ACTION: 60-Day information collection notice.

SUMMARY: In compliance with the *Paperwork Reduction Act of 1995*, the Department of the Air Force announces the proposed extension of an approved public information collection and seeks public comment on the provisions thereof. Comments are invited on: whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; the accuracy of the agency’s estimate of the burden of the proposed information collection; ways

to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by September 28, 2026.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

Mail: Department of Defense, Office of the Director of Administration and Management, Oversight and Compliance Directorate, Regulatory Division, 4800 Mark Center Drive, Mailbox #24, Suite 05F16, Alexandria, VA 22350-1700.

Instructions: All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the AF Information Collections Office, 1800 Air Force Pentagon, Suite 4C146, Washington, DC 20330, ATTN: Ms. Carlinda Lotson Miller, or call 703-697-4593.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Intercontinental Ballistic Missile Hardened Intersite Cable Right-of-Way Landowner Questionnaire; AF Form 3951; OMB Control Number 0701-0141.

Needs and Uses: This form collects updated landowner/tenant information as well as data on local property conditions which could adversely affect the Hardened Intersite Cable System (HICS) such as soil erosion, projected/building projects, evacuation plans, etc. This information also aids in notifying landowners/tenants when HICS preventative or corrective maintenance becomes necessary to ensure uninterrupted Intercontinental Ballistic Missile command and control capability. The information collection requirement is necessary to report changes in ownership/lease

information, conditions of missile cable route and associated appurtenances, and projected building/excavation projects. The information collected is used to ensure system integrity and to maintain a close contact public relations program with involved personnel and agencies.

Affected Public: Business or other for-profit; individuals or households.
