Source: FDIC.

^P The FDIC anticipates zero respondents in the upcoming cycle and uses a placeholder respondent count of 1 to preserve the potential burden.

Note: The estimated annual IC time burden is the product, rounded to the nearest hour, of the estimated annual number of responses and the estimated time per response for a given IC. The estimated annual number of responses is the product, rounded to the nearest whole number, of the estimated annual number of respondents and the estimated annual number of responses per respondent. This methodology ensures the estimated annual burdens in the table are consistent with the values recorded in OMB's consolidated information system.

General Description of Collection: Section 13 of the Bank Holding Company Act of 1956 (section 13) contains certain restrictions on the ability of a banking entity to engage in proprietary trading and to have certain interests in, or relationships with, a hedge fund or private equity fund. The FDIC's regulations at 12 CFR part 351 (part 351) implement section 13 with respect to FDIC-supervised insured depository institutions (IDIs). The requirements in part 351 do not apply to FDIC-supervised IDIs that have, and if every company that controls it has, total consolidated assets of \$10 billion or less and total trading assets and trading liabilities, that are five percent or less of total consolidated assets.¹

Part 351 contains provisions that constitute information collections (ICs) under the Paperwork Reduction Act corresponding to policies, rules, and regulations regarding periodic reporting requirements, documentation of trading activities and compliance programs, and various other recordkeeping and disclosure requirements for FDIC-supervised IDIs that are subject to the requirements of part 351 (covered bank).

There is no change in the substance or methodology of this information collection. The estimated annual burden for this information collection is 3,815 hours, a decrease of 234 hours from the

previous renewal. This decrease is attributed to a decrease in the estimated number of respondents.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Information Collection: Health Reimbursement Arrangements and Other Account-Based Group Health Plans; *Use:* On June 20, 2019, the Department of the Treasury, the Department of Labor, and the Department of Health and Human Services (HHS) (collectively, the Departments) issued final regulations, titled "Health Reimbursement Arrangements and Other Account-Based Group Health Plans" (84 FR 28888) (2019 final regulations) under section 2711 of the PHS Act and the health nondiscrimination provisions of HIPAA, Public Law 104-191 (HIPAA nondiscrimination provisions). The 2019 final regulations expanded the use of health reimbursement arrangements and other account-based group health plans (collectively referred to as HRAs) and recognized certain HRAs as limited excepted benefits (the excepted benefit HRA), for plan years beginning on or after January 1, 2020. In general, the 2019 final regulations expanded the use of HRAs by eliminating the prohibition on integrating HRAs with individual health insurance coverage, thereby permitting employers to offer individual coverage HRAs to employees that can be integrated with individual health insurance coverage or Medicare Parts A and B, or Part C. Under the 2019 final regulations, employees are permitted to use amounts in an individual coverage HRA to pay expenses for medical care (including premiums for individual health insurance coverage and Medicare), subject to certain requirements.

The information collections associated with the 2019 final regulations are related to the substantiation requirements for individual coverage HRAs (45 CFR 146.123(c)(5)), the notice requirement for individual coverage HRAs (45 CFR 146.123(c)(6)), and notification of termination of coverage (45 CFR 146.123(c)(1)(iii)). Under final regulations issued by HHS on May 14, 2020, titled "Patient Protection and Affordable Care Act; HHS Notice of Benefit and Payment Parameters for 2021; Notice Requirement for Non-federal Governmental Plans" (85 FR 29164), under 45 CFR 146.145(b)(3)(viii)(E), excepted benefit HRAs offered by non-Federal governmental plan sponsors are required to provide a notice that describes conditions pertaining to eligibility to receive benefits, annual or lifetime caps or other limits on benefits under the excepted benefit HRA, and a description or summary of the benefits.
