Needs and Uses: DFARS 205.470 prescribes the use of the clause at DFARS 252.205–7000, Provision of

Information to Cooperative Agreement Holders, in solicitations and contracts, including solicitations and contracts using Federal Acquisition Regulation (FAR) part 12 procedures for the acquisition of commercial products and commercial services, which are expected to exceed \$1.5 million. This clause implements 10 U.S.C. 4957 by requiring contractors to provide cooperative agreement holders, upon request, with a list of the contractor's employees or offices responsible for entering into subcontracts under DoD contracts. The contractor need not provide the listing to a particular cooperative agreement holder more frequently than once a year. Upon receipt of a contractor's list, the cooperative agreement holder utilizes the information to identify and pursue contracting opportunities with DoD and expand the number of businesses capable of participating in Government contracts. Due to the use of current data, the burden calculation for this information collection has been reduced.

DoD Clearance Officer: Mr. Reginald T. Lucas. Requests for copies of the information collection proposal should be sent to Mr. Lucas at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil.
