SUPPLEMENTARY INFORMATION: The NFIP, codified at 42 U.S.C. 4001 et seq., requires all flood prone communities throughout the country to apply for participation in the NFIP one year after their flood-prone status is identified or submit to the prohibition of certain types of federal and federally related financial assistance for use in their floodplains. 44 CFR 59.2 authorizes previously unavailable flood insurance protection to property owners in flood-prone areas and identifies the information that communities are required to submit to FEMA for application into the NFIP. 44 CFR 59.22 and 59.24 identify the information a community is required to submit to FEMA for continued participation in the program. This collection also accounts for the burden hours associated with the applicant's time to collect information as part of the community development permit process. To qualify for the NFIP, a participating community must adopt certain minimum standards in accordance with FEMA's regulations at 44 CFR 60.3, 60.4, and 60.5. To verify whether communities maintain such standards, the NFIP requires participating communities to retain documentation on development taking place in the flood hazard areas within the community. See 44 CFR 59.22. Such information will be made available to FEMA upon request. This information assists FEMA in evaluating the

effectiveness of a community's floodplain management program and participating property owners' eligibility for flood insurance. The "Application for Participation in the NFIP" and the "NFIP and the Community Development Permit Process" are separate actions documented under the same collection.

A. Overview of Information Collection

Title of Information Collection: Housing Discrimination Complaint Form HUD 903.

OMB Approval Number: 2529–0011.
Type of Request: Reinstatement with Change of an Approved Collection.
Form Number: Form HUD 903.

Description of the need for the information and proposed use: FHEO uses the “Housing Discrimination Complaint”, formerly the “Report Housing Discrimination” Form HUD–903, to collect pertinent information from persons wishing to file housing discrimination complaints with HUD under the Fair Housing Act. The Fair Housing Act makes it unlawful to discriminate in the sale, rental, occupancy, advertising, or insuring of residential dwellings; or to discriminate in residential real estate-related transactions; or in the provision of brokerage services, based on race, color, religion, sex, handicap [disability], familial status, or national origin. The Fair Housing Act also makes it unlawful to coerce, intimidate, threaten, or interfere with any person who has (1) exercised their fair housing rights; or (2) aided or encouraged another person to exercise their fair housing rights.

The “Housing Discrimination Complaint” Form HUD–903 facilitates the collection of pertinent information from persons or entities who wish to file housing discrimination complaints with HUD under § 810(a) of the Fair Housing Act of 1968 (Act), as amended [42 U.S.C. 3601 *et seq.* and 24 CFR part 103, subparts A and B]. Any person who claims to have been injured by a discriminatory housing practice, or any person who believes that they will be injured by a discriminatory housing practice that is about to occur, may file a complaint with HUD not later than one (1) year after the alleged

discriminatory housing practice occurs or terminates. FHEO staff uses the information to verify that the person or entity has standing as an aggrieved person to file a complaint under the Act; that the respondent is covered by the requirements of the Act; that the subject dwelling and/or transaction is covered by the requirements of the Act; that the alleged discriminatory activity is prohibited under the Act (subject matter jurisdiction); and that the alleged discriminatory activity occurred within the Act’s one-year statute of limitations for filing a complaint with HUD. This information is subsequently used to notify persons or entities that have been accused of engaging in discriminatory housing practices [“respondents”], as required under 42 U.S.C. 3610(1)(B)(ii) of the Act, and under 24 CFR§ 103.202(a) of HUD’s Fair Housing Act regulation. FHEO also uses this Form to establish HUD’s authority to conduct investigations under other Federal civil rights authorities, including, but not limited to, Title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d–2000d–7]; Architectural Barriers Act of 1968 (42 U.S.C. 4151–4153); Section 504 of the Rehabilitation Act of 1973 [29 U.S.C. 794]; Title II of the Americans with Disabilities Act of 1990 [42 U.S.C. 12101–12103; 12131–12134]; Section 109 of Title I of the Housing & Community Development Act of 1974 [42 U.S.C. 5309]; the Age Discrimination Act of 1975 [42 U.S.C. 6101–6107]; Title IX of the Education Amendments Act of 1972 [20 U.S.C. 1681–83, 85–88]; and under the 2022 reauthorization of the Violence Against Women Act (VAWA) [34 U.S.C. 12491–12495].

To further public education about unlawful housing discrimination, the Form also contains a non-exhaustive list of activities that are prohibited under the Fair Housing Act and under VAWA. Electronic versions of the Form are currently available on FHEO’s web page in English at: <https://www.hud.gov/helping-americans>.

The Form may be submitted to HUD by mail, electronically via the internet, or presented in person to HUD’s Regional and/or Field FHEO Offices. HUD/FHEO staff uses this information collection as a source of pertinent data for the HUD Enforcement Management System [“HEMS”], HUD’s electronic Fair Housing Act complaint processing database. FHEO uses the HEMS database to conduct intake/assessment of housing discrimination claims; to perfect and generate jurisdictional complaints; to develop investigative plans; to store factual evidence obtained during complaint investigations; to document conciliation efforts under
