SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–106006; File No. SR–LTSE–2026–15]

Self-Regulatory Organizations; Long-Term Stock Exchange, Inc.; Notice of Designation of a Longer Period for Commission Action on a Proposed Rule Change To Amend its Rules Related to Market Makers

July 29, 2026.

On June 2, 2026, Long-Term Stock Exchange, Inc. (''LTSE'' or ''Exchange'') filed with the Securities and Exchange Commission (''Commission''), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (''Act'') [1] and Rule 19b–4 thereunder,[2] a proposed rule change to establish a comprehensive market maker registration framework, formalize the registration and oversight of individuals who perform market making activities on behalf of Exchange members, and create a new Assigned Market Maker Program for Non-LTSE-Primary-Listed Securities traded on the Exchange. The proposed rule change was published for comment in the **Federal Register** on June 18, 2026.[3] The Commission has received no comment letters on the proposed rule change.

Section 19(b)(2) of the Act [4] provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding, or as to which the self-regulatory organization consents, the Commission will either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after publication of the notice for this proposed rule change is August 2, 2026. The Commission is extending this 45-day time period.

The Commission finds it appropriate to designate a longer period within which to take action on the proposed rule change, so that it has sufficient time to consider the proposed rule change. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,[5] designates September 16, 2026, as the date by which the Commission shall either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change (File No. SR–LTSE–2026–15).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.[6]

Sherry R. Haywood,

Assistant Secretary.
