Steel Concrete Reinforcing Bar From Bulgaria, Egypt, and Vietnam; Supplemental Schedule for the Final Phase of the Investigations

AGENCY: United States International Trade Commission.

ACTION: Notice.

DATES: Applicable July 30, 2026.

FOR FURTHER INFORMATION CONTACT: Sharon Fisher ((202) 205–2431), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on (202) 205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at (202) 205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for

this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION: Effective December 19, 2025, the Commission established a general schedule for the conduct of the final phase of its investigations on steel concrete reinforcing bar (or “rebar”) from Algeria, Bulgaria, Egypt, and Vietnam (90 FR 61166, December 30, 2025) following a preliminary determination by the U.S. Department of Commerce (“Commerce”) that imports of rebar from Algeria were being sold in the United States at less than fair value (“LTFV”). Commerce's preliminary determinations with respect to rebar from Bulgaria, Egypt, and Vietnam alleged to be sold in the United States at less than fair value and with respect to rebar alleged to be subsidized by the Governments of Algeria, Egypt, and Vietnam were pending at that time. Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on December 30, 2025 (90 FR 61166). All persons who requested the opportunity were permitted to participate.

On March 6, 2026, Commerce published in the **Federal Register** its final affirmative antidumping determination with respect to rebar from Algeria (91 FR 11035, March 6, 2026). On March 27, 2026, Commerce published in the **Federal Register** its final affirmative countervailing duty determination with respect to rebar from Algeria (91 FR 14808, March 27, 2026). The Commission subsequently issued its final determinations that an industry in the United States was materially injured by reason of imports of rebar from Algeria that were found by Commerce to be sold in the United States at LTFV (91 FR 21510, April 22, 2026). Because the Office of the United States Trade Representative advised the Commission of its determination that Algeria is not a Subsidies Agreement country (90 FR 34334, July 21, 2025), the Commission closed its countervailing duty investigation in connection with rebar from Algeria (91 FR 29504, May 20, 2026).

On July 30, 2026, Commerce published in the **Federal Register** its final affirmative countervailing duty determinations with respect to imports of rebar from Egypt (91 FR 48068) and Vietnam (91 FR 48074) and its final

LTFV determinations with respect to imports of rebar from Bulgaria (91 FR 48084), Egypt (91 FR 48066), and Vietnam (91 FR 48063). Accordingly, the Commission currently is issuing a supplemental schedule for the final phase of its investigations on imports of rebar from Bulgaria, Egypt, and Vietnam.

This supplemental schedule is as follows: the deadline for filing supplemental party comments on Commerce's final antidumping/countervailing duty determinations is 5:15 p.m. on August 12, 2026. Supplemental party comments may address only Commerce's final determinations regarding imports of rebar from Bulgaria, Egypt, and Vietnam. These supplemental final comments may not contain new factual information and may not exceed five (5) pages in length. The supplemental staff report in the final phase of this proceeding will be placed in the nonpublic record on August 19, 2026, and a public version will be issued thereafter.

For further information concerning this proceeding see the Commission's notice cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Authority: This proceeding is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission's rules.

By order of the Commission.

Issued: August 3, 2026.

Secretary to the Commission.

AGENCY: United States International Trade Commission.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the countervailing duty orders on imports of seamless carbon and alloy steel standard, line, and pressure pipe (“SSLP pipe”) from Russia and South Korea and the revocation of the antidumping duty orders on SSLP pipe from Czechia, Russia, South Korea, and Ukraine would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date.

SUPPLEMENTARY INFORMATION: On June 5, 2026, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)). The Commission found that both the domestic and respondent interested party group responses from Ukraine to its notice of institution (91 FR 10145, March 2, 2026) were adequate, and determined to conduct a full review of the order on imports from Ukraine. The Commission also found that the respondent interested party group responses from Czechia, Russia, and South Korea were inadequate but determined to conduct full reviews of the orders on imports from those countries in order to promote administrative efficiency in light of its determination to conduct a full review of the order with respect to Ukraine. A record of the Commissioners’ votes will be available from the Office of the Secretary and at the Commission’s website.

SUPPLEMENTARY INFORMATION:

Background.—On July 6, 2026, the Commission determined that the domestic interested party group response to its notice of institution (91 FR 16220, April 1, 2026) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act (19 U.S.C. 1675(c)(3)).²

For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on September 8, 2026. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission’s rules.
