

A. Impact on Small Entities

The regulatory flexibility analysis provisions of the Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, do not apply to rules that are not subject to notice and comment. Because the Coast Guard has, for good cause, waived the notice and comment requirement that would otherwise apply to this rulemaking, the Regulatory Flexibility Act's flexibility analysis provisions do not apply here.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), if this rule will affect your small business, organization, or governmental jurisdiction and you have questions, contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards by calling 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

B. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

C. Federalism and Indian Tribal Governments

We have analyzed this rule under Executive Order 13132, Federalism, and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in that Order.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

D. Unfunded Mandates Reform Act

As required by The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538), the Coast Guard certifies that this rule will not result in an annual expenditure of \$100,000,000 or more (adjusted for inflation) by a State, local, or tribal government, in the aggregate, or by the private sector.

E. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment.

This rule is a safety zone. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.4.

- 2. Add § 165.T09–1011 to read as follows:

§ 165.T09–1011 Safety Zone; Lake Erie, Madison Township, OH.

(a) *Location.* The following area is a safety zone: all navigable waters of Lake Erie within a 400-foot radius of the following position: 41°50′18.35″ N, 081°2′52.95″ W. These coordinates are based on the World Geodetic System (WGS 84).

(b) *Definitions.* As used in this section, *designated representative* means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Eastern Great Lakes (COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this

section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter, contact COTP or the COTP's representative on VHF–FM channel 16 or by telephone at (216) 701–5989. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(d) *Enforcement period.* This section will be enforced from 9:30 p.m. to 11:30 p.m. on August 8, 2026.

Adam T. Mosley,

Commander, U.S. Coast Guard, Acting Captain of the Port Sector Eastern Great Lakes.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG–2026–0737]

RIN 1625–AA00

Safety Zone; Rockport Illuminations Fireworks, Rockport Harbor, Rockport, MA

AGENCY: Coast Guard, Department of Homeland Security.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for the navigable waters of Rockport Harbor, Rockport, MA within a 350-yard radius of the land-based Rockport Illuminations Fireworks launch site. The safety zone is needed to protect spectators, personnel, vessels, and the marine environment from potential hazards associated with the firework displays. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port, Sector Boston, or their designated representative.

DATES: This rule is effective from 8 p.m. on August 8, 2026, through 10 p.m. on August 9, 2026. It will only be enforced, however, from 8 p.m. until 10 p.m. on August 8, 2026, unless the event is delayed because of weather conditions, in which case it will be subject to enforcement during those same hours on August 9, 2026.

ADDRESSES: To view available documents, go to <https://www.regulations.gov> and search for USCG 2026–0737.

FOR FURTHER INFORMATION CONTACT: If you have questions about this rule, call

or email Mr. Timothy W. Chase, Sector Boston Waterways Management, phone (617) 447-1620, email Timothy.w.chase@uscg.mil or SECBOSSWaterways@uscg.mil.

CFR Code of Federal Regulations
COTP Captain of the Port, Boston
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
TFR Temporary Final Rule
MA Massachusetts
§ Section
U.S.C. United States Code

II. Background and Authority

On June 12, 2026, the Coast Guard received notification that fireworks will be launched from a near shore land site in the vicinity of Rockport Harbor, Rockport, MA. The Captain of the Port (COTP) Boston has determined that potential hazards associated with the fireworks, such as being hit by unexploded pyrotechnics and other falling debris, are a safety concern for anyone within 350 yards of the fireworks display. The COTP is issuing this rule under the authority of 46 U.S.C. 70034 to protect spectators, personnel, vessels, and the marine environment in the navigable waters within the safety zone.

The Coast Guard is issuing this rule without prior notice and comment. As authorized by 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable to publish an NPRM, respond to comments, and publish a final rule within the time since notification of the fireworks and August 8, when the safety zone must be in place to protect spectators, personnel, vessels, and the marine environment.

For the same reason, the Coast Guard finds that under 5 U.S.C. 553(d)(3), good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

III. Discussion of the Rule

This rule establishes a safety zone from 8 p.m. on August 8, 2026, through 10 p.m. on August 9, 2026. It will only be enforced, however, from 8 p.m. until 10 p.m. August 8, 2026, unless the event is delayed because of weather conditions, in which case it will be subject to enforcement during those same hours on August 9, 2026. The safety zone will cover all navigable waters in Rockport Harbor, Rockport, MA within a 350-yard radius of the land-based launch site near shore at

position 42°39.99' N, 070°37.25' W. Vessels and persons will not be allowed to enter the zone during this time, unless authorized by the COTP Boston.

IV. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive Orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive Orders.

A. Regulatory Planning and Review

The regulatory flexibility analysis provisions of the Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, do not apply to rules that are not subject to notice and comment. Because the Coast Guard has, for good cause, waived the notice and comment requirement that would otherwise apply to this rulemaking, the Regulatory Flexibility Act's flexibility analysis provisions do not apply here.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), if this rule will affect your small business, organization, or governmental jurisdiction and you have questions, contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards by calling 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

B. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

C. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under Executive Order 13132 and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in that Order.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments,

because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

D. Unfunded Mandates Reform Act

As required by The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538), the Coast Guard certifies that this rule will not result in an annual expenditure of \$100,000,000 or more (adjusted for inflation) by a State, local, or tribal government, in the aggregate, or by the private sector.

E. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment.

This rule is a safety zone. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.4.

■ 2. Add § 165.T01–0737 to read as follows:

§ 165.T01–0737 Safety Zone; Rockport Illuminations Fireworks, Rockport Harbor, Rockport, MA.

(a) *Location.* The following area is a safety zone: All waters of a portion of Rockport Harbor, Rockport, MA, from

surface to bottom, encompassed by a 350-yard radius of the land-based launch site near shore at position 42°39.99' N, 070°37.25' W. These coordinates are based on the World Geodetic System (WGS 84)/North American Datum 83 (NAD 83).

(b) *Definitions.* As used in this section, *designated representative* means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Boston (COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter, contact the COTP or the COTP's representative on VHF-FM channel 16 or by contacting the Coast Guard Sector Boston Command Center by telephone at (857) 416-3015. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(d) *Enforcement period.* This rule is effective from 8 p.m. on August 8, 2026, through 10 p.m. on August 9, 2026. It will be enforced from 8 p.m. until 10 p.m. on August 8, 2026, unless the event is delayed because of weather conditions, in which case it will be subject to enforcement during those same hours on August 9, 2026.

Date: July 24, 2026.

J.C. Frederick,

Captain, U.S. Coast Guard, Captain of the Port, Sector Boston.

BILLING CODE 9110-04-P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA-R01-OAR-2025-0656; FRL-13272-02-R1]

Air Plan Approval; Connecticut; Plan for Inclusion of a Consent Order No. 8383-Algonquin Gas Transmission, LLC and Negative Declaration for Rubber Tire Manufacturing Sources

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: The Environmental Protection Agency (EPA) is approving a State

Implementation Plan (SIP) revision submitted by the State of Connecticut to address certain Federal requirements for the 2008 and 2015 8-hour ozone National Ambient Air Quality Standards (NAAQS) under the Clean Air Act (CAA). This revision approves a source-specific SIP revision for Algonquin Gas Transmission, LLC's Cromwell compressor station facility in Cromwell, CT, to address reasonably available control technology (RACT) determinations for major stationary sources of volatile organic compounds (VOC). The CAA requires states to submit SIP revisions addressing RACT requirements for ozone nonattainment areas classified as Moderate or higher and for any portion of the state located in an ozone transport region (OTR). RACT determinations are required for this source because it is located in the New York-Northern New Jersey-Long Island, NY-NJ-CT 2008 ozone Severe nonattainment area and 2015 ozone Serious nonattainment area and because Connecticut is in the OTR. The EPA is also approving a negative declaration for existing rubber tire manufacturing sources statewide. This action is being taken in accordance with the Clean Air Act.

DATES: This rule is effective on September 8, 2026.

ADDRESSES: EPA has established a docket for this action under Docket Identification No. EPA-R01-OAR-2025-0656. All documents in the docket are listed on the <https://www.regulations.gov> website. Although listed in the index, some information is not publicly available, *i.e.*, CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the internet and will be publicly available only in hard copy form. Publicly available docket materials are available at <https://www.regulations.gov> or at the U.S. Environmental Protection Agency, EPA Region 1 Regional Office, Air and Radiation Division, 5 Post Office Square, Suite 100, Boston, MA. EPA requests that if at all possible, you contact the contact listed in the **FOR FURTHER INFORMATION CONTACT** section to schedule your inspection.

FOR FURTHER INFORMATION CONTACT: Michele Kosin, Physical Scientist, Air Quality Branch, Air & Radiation Division U.S. Environmental Protection Agency, EPA Region 1, 5 Post Office Square, Suite 100, (Mail code 5-MI), Boston, MA 02109-3912, telephone: (617) 918-1175, email address: kosin.michele@epa.gov.

SUPPLEMENTARY INFORMATION:

Throughout this document whenever “we,” “us,” or “our” is used, we mean EPA.

Table of Contents

- I. Background and Purpose
- II. Final Action
- III. Incorporation by Reference
- IV. Statutory and Executive Order Reviews

I. Background and Purpose

On March 13, 2026, the Environmental Protection Agency (EPA) published a Notice of Proposed Rulemaking (NPRM) for the State of Connecticut.¹ In the NPRM, EPA proposed to approve Connecticut's submittal adding Consent Order 8383 to the Connecticut SIP and to approve its declaration that no rubber tire manufacturing sources exist in the state (also referred to as a “negative declaration”). Consent Order No. 8383 establishes emission standards that the State of Connecticut Department of Energy and Environmental Protection (CT DEEP) determined satisfy RACT for VOCs pursuant to Section 22a-174-32(e)(1)(D) of the Regulations of Connecticut State Agencies (RCSA) for the Algonquin Gas Transmission, LLC's Cromwell compressor station facility located at 252 Shunpike Road, Cromwell, Middlesex County, CT. The formal SIP revision was submitted to the EPA by CT DEEP on December 10, 2024.

The specifics of Consent Order No. 8383 and the rationale for the EPA's proposed action are explained in the NPRM and will not be restated here. The EPA received three comments during the public comment period. Two fully support EPA approval of Connecticut's SIP submittal. The EPA appreciates and agrees with the supportive commenters. The third comment states only that the anonymous commenter is “confused” but does not elaborate and does not expressly oppose EPA approval. None of the comments warrant any further response.

II. Final Action

The EPA is approving the revisions to the Connecticut SIP to include Consent Order 8383 and is approving the negative declaration for existing rubber tire manufacturing sources statewide.

III. Incorporation by Reference

In this rule, the EPA is finalizing regulatory text that includes incorporation by reference. In accordance with requirements of 1 CFR 51.5, the EPA is finalizing the
