A-570-064 and C-570-065: Forged Stainless Steel Flanges From China

Requestor: API International Inc. (API). Eighteen models of certain cut plate flanges imported by API are not covered by the scope of the antidumping and countervailing duty orders on stainless steel flanges from China because API's certain cut plate flanges undergo a distinct manufacturing process and are not forged. June 22, 2026.

A-570-896: Magnesium Metal From China

Requestor: Galvotec Mag and Metal Works, Inc. (Galvotec). Certain magnesium extrusions used to produce high-quality concrete and asphalt finishing tools imported by Galvotec are not covered by the scope of the antidumping duty order on magnesium metal from China. The concrete and asphalt finishing tools Galvotec imports are made from magnesium extrusions, which is a "wrought" product and the Order only contemplates that "unwrought" products are included within the scope. May 21, 2026.

A-570-016 and C-570-017: Passenger Vehicle and Light Truck Tires From China

Requestor: Transamerica Tire Co., Ltd. (Transamerica). Sixty-one tire models imported by Transamerica are covered by the scope of the antidumping and countervailing duty orders on passenger vehicle and light truck tires from China because the presence of the "LT" suffix on the tire sidewalls is dispositive under the plain language of the scope; and the TRA Yearbook exclusion applies only to tires lacking such markings. Scope of the Order

The merchandise covered by the Order is OCTG from Türkiye. For a complete description of the scope of the Order, see the Issues and Decision Memorandum.⁴

Analysis of Comments Received

All issues raised by interested parties in case briefs are addressed in the Issues and Decision Memorandum. The topics discussed and the issues raised by parties to which we responded in the Issues and Decision Memorandum are listed in the appendix to this notice.

Changes Since the Preliminary Results

Based on comments received from interested parties, we made certain changes to the calculations for Borusan Birleşik Boru Fabrikaları Sanayi ve Ticaret A.Ş. (Borusan).⁵ For a discussion of these changes, see the Issues and Decision Memorandum.

Methodology

Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶ For a full description of the methodology underlying all of Commerce's conclusions, including any determination that relied upon the use of adverse facts available, pursuant to

The company reported that the name change was effective November 2023.

⁶ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

sections 776(a) and (b) of the Act, *see* the Issues and Decision Memorandum.

Final Results of Review

We find the following net countervailable subsidy rates exist for the period January 1, 2023, through December 31, 2023:

Company	Subsidy Rate (percent <i>ad valorem</i>)
Borusan Birleşik Boru Fabrikalari Sanayi ve Ticaret A.Ş. ⁷	0.80

Disclosure

Commerce intends to disclose the calculations and analyses performed in connection with these final results of review to interested parties within five days after the public announcement of the final results or, if there is not public announcement, within five days of the date of publication of this notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment

Pursuant to 19 CFR 351.212(b)(2), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review, for the above-listed companies at the applicable *ad valorem* rates. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for the companies listed above for shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of these final results of this administrative review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the all-others rate or the most recent company-specific rate applicable to the company, as

appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Order

This notice also serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

Commerce is issuing these final results and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On July 21, 2026, the U.S. Court of International Trade (CIT) issued its final judgment in *Committee Overseeing Action for Lumber International Trade Investigations or Negotiations, et al. v. United States, et al.*, Consol. Court No. 19–00122 (Slip Op. 26–77) (CIT 2026) sustaining the U.S. Department of Commerce's (Commerce) final results of remand redetermination (remand redetermination), concerning the countervailing duty (CVD) order on certain softwood lumber products (softwood lumber) from Canada. Because D&G/Portbec's rate is now above *de minimis*, subject merchandise produced and exported by D&G/Portbec is included within the CVD order on softwood lumber from Canada.
