Non-Refillable Steel Cylinders From the People's Republic of China: Preliminary Results and Partial Rescission of the Antidumping Duty Administrative Review; 2024–2025

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that certain exporters made sales of non-refillable steel cylinders (non-refillable cylinders) at less than normal value (NV) during the period of

review (POR) May 1, 2024, through April 30, 2025.

DATES: Applicable August 6, 2026.

FOR FURTHER INFORMATION CONTACT: Matthew Palmer, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1678.

SUPPLEMENTARY INFORMATION:

Background

On May 11, 2021, Commerce published the *Order* on non-refillable cylinders from China.¹ On June 25, 2025, pursuant to timely requests for review, Commerce published the notice of initiation of the administrative review of the AD *Order* on non-refillable cylinders from China.² Commerce initiated this administrative review covering the following four exporters of subject merchandise: Ningbo Eagle Machinery & Technology Co., Ltd. (Ningbo Eagle); Sanjiang Kai Yuan Co. Ltd. (Sanjiang Kai Yuan); Wuyi Xilinde Machinery Manufacture Co., Ltd. (Wuyi Xilinde); and Zhejiang Kin-Shine Technology Co., Ltd. (Zhejiang Kin-Shine).³

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled certain deadlines in this administrative proceeding by 47 days.⁴ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁵ On April 2, 2026, Commerce extended the preliminary deadline in this administrative review by 60 days.⁶ On May 20, 2026, Commerce issued a second extension of

the preliminary deadline by 53 days, to no later than July 31, 2026.⁷

For a complete description of the events that followed the initiation of this administrative review, *see* the Preliminary Decision Memorandum.⁸ A list of topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be found at <https://access.trade.gov/frnotices>.

Scope of the Order

The products covered by this *Order* are certain seamed (welded or brazed), non-refillable steel cylinders meeting the requirements of, or produced to meet the requirements of, U.S. Department of Transportation (USDOT) Specification 39, Transport Canada Specification 39M, or United Nations pressure receptacle standard ISO 11118. A full description of the scope of the *Order* is provided in the Preliminary Decision Memorandum.

Partial Rescission of Review

As noted above, we initiated this review with respect to four companies.⁹ Pursuant to 19 CFR 351.213(d)(3), Commerce will rescind an administrative review when there are no reviewable suspended entries during the POR. Normally, upon completion of an administrative review, the suspended entries are liquidated at the antidumping duty assessment rate for the review period.¹⁰ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the calculated antidumping duty assessment rate for the review period.¹¹ On July 9, 2025, Commerce

placed on the record of the review CBP entry data for imports made during the POR under the Harmonized Tariff Schedule of the United States (HTSUS) numbers listed in the scope of the *Order*.¹² In the CBP Data Memorandum, Commerce notified interested parties of its intent to rescind the review with respect to the companies for which the CBP entry data query indicated to have had no reviewable, suspended entries of subject merchandise during the POR: Ningbo Eagle; Sanjiang Kai Yuan; and Zhejiang Kin-Shine.¹³ Additionally, Sanjiang Kai Yuan notified Commerce that it made no shipments of the subject merchandise to the United States during the POR.¹⁴ No parties commented on our intent to rescind. Accordingly, in the absence of any suspended entries of subject merchandise from these companies during the POR, Commerce is rescinding this review with respect to Ningbo Eagle; Sanjiang Kai Yuan; and Zhejiang Kin-Shine in accordance with 19 CFR 351.213(d)(3). As a result, Wuyi Xilinde represents the sole mandatory respondent with suspended entries under individual review during the POR.

The China-Wide Entity

Under Commerce’s policy regarding the conditional review of the China-wide entity,¹⁵ the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the entity is not under review, and the

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(B) of the Act. We calculated export prices in accordance with section 772 of the Act. Because Commerce has determined that China is a non-market economy country within the meaning of section 771(18) of the Act, Commerce calculated normal value in accordance with section 773(c) of the Act. For a full description of the methodology underlying the preliminary results of this review, see the Preliminary Decision Memorandum.

Preliminary Results of Review

We preliminarily determine that the following estimated weighted-average dumping margin exists for the period May 1, 2024, through April 30, 2025:

Exporter	Weighted-average dumping margin (percent)
Wuyi Xilinde Machinery Manufacture Co., Ltd	218.88

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties for these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of the publication of this notice.¹⁶ Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case briefs.¹⁷ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of

contents listing each issue; and (2) a table of authorities.¹⁸

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public executive summary for each issue raised in their briefs.¹⁹ Further, we request that interested parties limit their public, executive summary of each issue to no more than 450 words, not including citations. We intend to use the public, executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public, executive summary of each issue. Case and rebuttal briefs should be filed using ACCESS.²⁰ Note that Commerce has modified certain of its requirements for serving documents containing business proprietary information, until further notice.²¹

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically via Commerce’s electric records system, ACCESS within 30 days after the date of publication of this notice. Requests should contain: (1) the party’s name, address, and telephone number; (2) the number of participants and whether any participant is a foreign national; and (3) a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined.²² Parties should confirm by telephone the date and time of the hearing two days before the scheduled date.

Unless otherwise extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case and rebuttal briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

¹⁶ See 19 CFR 351.309(c)(2) and (d)(2).
¹⁷ We use the term “issue” here to describe an argument that Commerce would normally address in a comment of the Issues and Decision Memorandum.
¹⁸ See, generally, 19 CFR 351.303.
¹⁹ See *Temporary Rule Modifying AD/CVD Service Requirements Due to COVID–19; Extension of Effective Period*, 85 FR 41363 (July 10, 2020).

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.

If Wuyi Xilinde's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.50 percent) in the final results of this review, Commerce intends to calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for each importer's examined sales to the total entered value of those sales. Where we do not have entered values for all U.S. sales to a particular importer, we will calculate an importer-specific, per-unit assessment rate on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales to the total quantity of those sales.²³ To determine whether an importer-specific, per-unit assessment rate is *de minimis*, in accordance with 19 CFR 351.106(c)(2), we also will calculate an importer-specific *ad valorem* ratio based on estimated entered values. If Wuyi Xilinde's weighted-average dumping margin is zero or *de minimis* or where an importer-specific *ad valorem* assessment rate is zero or *de minimis*, we will instruct CBP to liquidate appropriate entries without regard to antidumping duties.²⁴

For entries that were not reported in the U.S. sales database submitted by the mandatory respondent(s) during this review, Commerce will instruct CBP to liquidate such entries at the China-wide rate.

For the company listed above for which the review is being rescinded, Commerce will instruct CBP to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit rate for estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue rescission instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

The final results of this review shall be the basis for the assessment of

antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for all shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the date of publication of the notice of the final results of administrative review in the **Federal Register**, as provided for by section 751(a)(2)(C) of the Act: (1) for the companies that have a separate rate, the cash deposit rate will be that rate established in the final results of this review (except, if the rate is *de minimis*, then a cash deposit rate of zero will be required); (2) for previously investigated or reviewed Chinese and non-Chinese exporters for which a review was not requested and that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity (i.e., 112.21 percent); and (4) for all non-Chinese exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 351.221(b)(4).

Dated: July 31, 2026.

Christopher Abbott,

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
