

interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹²

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants and whether any participant is a foreign national; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce will inform parties of the scheduled date for the hearing.¹³

Assessment Rate

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.

If the POSCO single entity's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.50 percent) in the final results of this review, Commerce intends to calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for each importer's examined sales to the total entered value of those sales. Where we do not have entered values for all U.S. sales to a particular importer, we will calculate an importer-specific, per-unit assessment rate on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales to the total quantity of those sales.¹⁴ If POSCO single entity's weighted-average dumping margin is zero or *de minimis*, or where an importer-specific *ad valorem*

assessment rate is zero or *de minimis*, we will instruct CBP to liquidate appropriate entries without regard to antidumping duties.¹⁵

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by POSCO single entity's for which it did not know that the merchandise was destined for the United States, we intend to instruct CBP to liquidate those entries at the all-others rate calculated in the less-than-fair-value (LTFV) investigation if there is no rate for the intermediate company(ies) involved in the transaction.¹⁶ If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the company listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated or reviewed companies not covered by this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the LTFV investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 7.10 percent, the all-others rate established in the LTFV investigation.¹⁷ These cash

deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Korea (Korea) during the period of review (POR) January 1, 2024, through December 31, 2024. In addition, Commerce is rescinding this review with respect to 54 companies. Interested parties are invited to comment on these preliminary results of review.

DATES: Applicable August 6, 2026.

SUPPLEMENTARY INFORMATION:

Background

On May 25, 2017, Commerce published a countervailing duty (CVD) order on CTL plate from Korea.¹ On June 25, 2025, Commerce published a notice of initiation of an administrative review of the *Order*.² We initiated an administrative review of 57 producers/exporters of CTL plate from Korea for the POR.³ On August 18, 2025, Commerce selected POSCO Co., Ltd. (POSCO) as the sole mandatory respondent in this administrative review.⁴

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁵ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an

additional 21 days.⁶ On March 4, 2026, we extended the deadline for the preliminary results of this review until July 31, 2026, in accordance with 19 CFR 351.213(h)(2).⁷

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁸ A list of topics discussed in the Preliminary Decision Memorandum is provided in Appendix I. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

Scope of the Order

The merchandise covered by the *Order* is CTL plate from Korea. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

It is Commerce's practice to rescind an administrative review of a CVD order, pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁹ Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate calculated for the review period.¹⁰ Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the CVD assessment rate calculated for the POR.¹¹ On September 10, 2025, we released a memorandum notifying interested parties that, based on our

examination of the results of the CBP data query, we intended to rescind the administrative review for certain companies for which the data show no reviewable entries of subject merchandise during the POR, and requested comments.¹² No interested parties provided comments.

According to the CBP import data, 54 companies under review did not have reviewable entries of subject merchandise during the POR for which liquidation is suspended.¹³ In the absence of any evidence of shipments placed on the record, pursuant to 19 CFR 351.213(d)(3), we are rescinding the administrative review of these companies.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an "authority" that confers a benefit to the recipient, and that the subsidy is specific.¹⁴ For a full description of the methodology underlying our preliminary results, see the Preliminary Decision Memorandum.

Preliminary Results of Review

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily determine the following net countervailable subsidy rate exists for the period January 1, 2024, through December 31, 2024:

Company	Subsidy rate (percent <i>ad valorem</i>)
POSCO Co., Ltd. ¹⁵	1.14

Verification

Commerce received a timely request from Nucor Corporation (the petitioner) to verify the information submitted in this administrative review, pursuant to 19 CFR 307(b)(1)(v).¹⁶ Commerce conducted verification of the subsidy information reported by POSCO Co., Ltd. in the previous administrative review.¹⁷ Accordingly, Commerce does not intend to verify the information submitted by the mandatory respondent in the course of this administrative review.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance.¹⁸ Interested parties will be notified of the timeline for the submission of case briefs and written comments at a later date. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹⁹ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.²⁰ All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety in ACCESS by 5:00 p.m. Eastern Time on the established deadline.

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at

the beginning of their briefs a public executive summary for each issue raised in their briefs.²¹ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).²²

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) the requesting party's name, address, and telephone number; (2) the number of participants and whether any of the participants are foreign nationals; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to those raised in the respective case briefs. If a request for a hearing is made, Commerce will inform parties of the scheduled date for the hearing.²³

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producers/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review, for the above-listed companies.

For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2024, through December 31, 2024, in accordance with 19 CFR 351.212(c)(1)(i). We intend to issue assessment instructions to CBP no

earlier than 35 days after the date of publication of this notice in the **Federal Register**.

For the companies remaining in the review, we intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.107(e), Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review, as follows: (1) the cash deposit rate for POSCO Co., Ltd. will be equal to the company-specific estimated individual countervailable subsidy rate determined in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) if both the producer and exporter of the subject merchandise have company-specific estimated subsidy rates assigned, and their rates differ, then the applicable cash deposit rate will be the higher of these two rates; (3) if either the producer or the exporter, but not both, of the subject merchandise has a company-specific estimated subsidy rate assigned, the applicable cash deposit rate will be that company's company-specific rate; and (4) the cash deposit rate for all other producers and exporters will continue to be 3.72 percent, the all-others subsidy rate established in the investigation.²⁴ These cash deposit instructions, when imposed, shall remain in effect until further notice.

Final Results

Unless otherwise extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these

was not selected as a mandatory respondent, but was examined in the context of POSCO. Therefore, there is not an established CVD rate for POSCO International; POSCO International's subsidies are accounted for in POSCO's total subsidy rate. Instead, entries of subject merchandise exported by POSCO International will receive the rate of the producer listed on the CBP entry form. Thus, the subsidy rate applied to POSCO and POSCO's cross-owned affiliates is also applied to POSCO International for entries of subject merchandise produced by POSCO.

(collectively, the requesters), the U.S. Department of Commerce (Commerce) is initiating country-wide circumvention inquiries to determine whether imports of disposable aluminum containers, pans, trays, and lids (aluminum containers) completed in Indonesia and Malaysia (collectively, the third countries) using aluminum foil manufactured in the People's Republic of China (China), are circumventing the antidumping duty (AD) and countervailing duty (CVD) orders on aluminum containers from China.

SUPPLEMENTARY INFORMATION:

Background

On July 1, 2026, pursuant to section 781(b) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.226(i), the requesters filed circumvention inquiry requests alleging that aluminum containers completed in the third countries using aluminum foil manufactured in China, are circumventing the AD and CVD orders on aluminum containers from China¹ and, accordingly, should be included within the scope of the *Orders*.²

On July 7, 2026, we issued supplemental questionnaires to the requesters.³ On July 10, 2026, the requesters filed their responses to our requests for additional information.⁴

Scope of the Orders

The merchandise subject to the *Orders* is disposable aluminum containers, pans, trays, and lids produced primarily from flat-rolled aluminum. The subject merchandise includes aluminum containers regardless of shape or size and whether or not wrinkled or smooth. For a full description of the scope of the *Orders*, see the Circumvention Initiation Checklists.⁵

Merchandise Subject to the Circumvention Inquiries

The circumvention inquiries cover aluminum containers assembled and completed in the third countries using Chinese-origin aluminum foil, that are subsequently exported from the third countries to the United States.

Initiation of Circumvention Inquiries

Section 351.226(d) of Commerce's regulations states that if Commerce
