SUPPLEMENTARY INFORMATION:

The Petitions

On July 15, 2026, the U.S. Department of Commerce (Commerce) received countervailing duty (CVD) petitions concerning imports of welded stainless line and pressure pipe (welded stainless pipe) from India and Türkiye filed in proper form on behalf of Bristol Pipe and Tube, Inc., Felker Brothers Corporation, and Primus Pipe and Tube, Inc. (collectively, the petitioners), domestic producers of welded stainless pipe.¹ The CVD Petitions were accompanied by antidumping duty (AD) petitions concerning imports of welded stainless pipe from India, Türkiye, and the United Arab Emirates.²

Between July 20 and 24, 2026, Commerce requested supplemental information pertaining to certain aspects of the Petitions in supplemental questionnaires.³ Between July 22 and 27, 2026, the petitioners filed timely responses to these requests for additional information.⁴

In accordance with section 702(b)(1) of the Tariff Act of 1930, as amended (the Act), the petitioners allege that the Government of India (GOI) and Government of Türkiye (GOT) are providing countervailable subsidies, within the meaning of sections 701 and 771(5) of the Act, to producers of welded stainless pipe in India and Türkiye and that such imports are materially injuring, or threatening material injury to, the domestic industry producing welded stainless pipe in the United States. Consistent with section 702(b)(1) of the Act and 19 CFR 351.202(b), for those alleged programs on which we are initiating CVD investigations, the Petitions were

accompanied by information reasonably available to the petitioners supporting their allegations.

Commerce finds that the petitioners filed the Petitions on behalf of the domestic industry, because the petitioners are the interested parties, as defined in section 771(9)(C) of the Act. Commerce also finds that the petitioners demonstrated sufficient industry support with respect to the initiation of the requested CVD investigations.⁵

Periods of Investigation (POI)

Because the Petitions were filed on July 15, 2026, the POI is January 1, 2025, through December 31, 2025.⁶

Scope of the Investigations

The product covered by these investigations is welded stainless pipe from India and Türkiye. For a full description of the scope of these investigations, *see* the appendix to this notice.

Comments on the Scope of the Investigations

Between July 20 and July 24, 2026, Commerce requested information and clarification from the petitioners regarding the proposed scope to ensure that the scope language in the Petitions is an accurate reflection of the products for which the domestic industry is seeking relief.⁷ Between July 22 and 27, 2026, the petitioners provided clarifications and revised the scope.⁸ The description of merchandise covered by these investigations, as described in the appendix to this notice, reflects these clarifications.

As discussed in the *Preamble* to Commerce's regulations, we are setting aside a period for interested parties to raise issues regarding product coverage (*i.e.*, scope).⁹ Commerce will consider all scope comments received from interested parties and, if necessary, will consult with interested parties prior to the issuance of the preliminary determinations.
