

implementation of the new market-wide Regulatory and Operational Halts processes with the other national securities exchanges and will help ensure consistency across the SROs.

The Commission believes that a waiver of the operative delay is consistent with the protection of investors and the public interest because it would allow the Exchange to implement the proposed changes on the date that the IEX SIP Halts Filing becomes operative. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.⁴⁴

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)⁴⁵ of the Act to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-106055; File No. SR-FICC-2026-007]

Self-Regulatory Organizations; Fixed Income Clearing Corporation; Notice of Designation of Longer Period for Commission Action on Proposed Rule Change To Modify the GSD Rules To Adopt a U.S. Treasury Clearing Trade Submission Requirement

August 6, 2026.

On June 24, 2026, Fixed Income Clearing Corporation ("FICC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change SR-FICC-2026-007 ("Proposed Rule Change") pursuant to Section 19(b) of the Securities Exchange Act of 1934 ("Exchange Act")¹ and Rule 19b-4² thereunder to modify FICC's Government Securities Division ("GSD") Rulebook ("GSD Rules")³ to adopt (1) a requirement for each Netting Member to submit all eligible secondary market transactions in U.S. Treasury securities to which it is a counterparty for central clearing, (2) provisions to monitor and enforce the trade submission requirement, and (3) other revisions to clarify, conform, and enhance the disclosures of the GSD Rules.⁴ The Proposed Rule Change was published for public comment in the

Federal Register on July 9, 2026.⁵ The Commission has received comments regarding the substance of the changes proposed in the Proposed Rule Change.⁶

Section 19(b)(2)(i) of the Exchange Act⁷ provides that, within 45 days of the publication of notice of the filing of a proposed rule change, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved unless the Commission extends the period within which it must act as provided in Section 19(b)(2)(ii) of the Exchange Act.⁸ Section 19(b)(2)(ii) of the Exchange Act allows the Commission to designate a longer period for review (up to 90 days from the publication of notice of the filing of a proposed rule change) if the Commission finds such longer period to be appropriate and publishes its reasons for so finding, or as to which the self-regulatory organization consents.⁹

The 45th day after publication of the Notice of Filing is August 23, 2026. In order to provide the Commission with sufficient time to consider the Proposed Rule Change, the Commission finds that it is appropriate to designate a longer period within which to take action on the Proposed Rule Change and therefore is extending this 45-day time period.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Exchange Act,¹⁰ designates October 7, 2026, as the date by which the Commission shall either approve, disapprove, or institute proceedings to determine whether to disapprove proposed rule change SR-FICC-2026-007.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹¹
