We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary for the proper functions of the Department.

- Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used.

- Enhance the quality, utility, and clarity of the information to be collected.

- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of Proposed Collection

The DS–6570 is completed by an individual and their medical provider to declare that the individual has health concerns that may represent a safety hazard for the individual or others at an ESCAPE Diplomatic Mission. ESCAPE is an acronym used to describe Diplomatic Missions overseas that are in extremely high threat, potentially combat, areas. Current ESCAPE Missions are Iraq, Juba, Kyiv, Libya, Peshawar, Somalia, Syria, and Yemen. This program is authorized under the Foreign Service Act of 1980, as implemented by the Department in 13 FAM 301.4–5.

Methodology

The respondents will be prompted access to the forms digitally based on their medical clearance needs (ESCAPE post designation). They will then take it to their personal medical provider for completion and authorization. Once complete, the forms will be submitted via a secure online platform for review by the Office of Medical Clearances.

Response to Public Comment

The Department published a notice in the **Federal Register** soliciting public comments for a period of 60 days. The Department received one comment. The commenter suggested that the burden
