B. Collection of Information

This proposed rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

C. Federalism and Indian Tribal Governments

We have analyzed this proposed rule under Executive Order 13132, Federalism, and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in that Order.

Also, this proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

D. Unfunded Mandates Reform Act

As required by The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538), the Coast Guard certifies that this proposed rule will not result in an annual expenditure of \$100,000,000 or more (adjusted for inflation) by a State, local, or tribal government, in the aggregate, or by the private sector.

E. Environment

We have analyzed this proposed rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment.

This proposed rule is a security zone. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

45 CFR Part 1356

RIN 0970–AC23

Adoption and Foster Care Analysis and Reporting System

AGENCY: Administration for Children and Families (ACF), Department of Health and Human Services (HHS).

ACTION: Proposed rule; withdrawal.

SUMMARY: This document withdraws a proposed rule that was published in the

Federal Register on January 11, 2008. The proposed rule would have amended the Adoption and Foster Care Analysis and Reporting System (AFCARS) regulations at 45 CFR 1355.40 and the appendices to Part 1355 to modify the requirements for States to collect and report data to ACF on children in out-of-home care and in subsidized adoption or guardianship arrangements with the State. This document also withdraws the provision of the 2008 proposed rule that implemented the AFCARS penalty requirements of the Adoption Promotion Act of 2003 (Pub. L. 108–145).

DATES: The proposed rule published January 11, 2008 (73 FR 2082) is withdrawn effective August 12, 2026.

FOR FURTHER INFORMATION CONTACT: Adam N. Jones, Deputy Chief of Staff, Immediate Office of the Assistant

Secretary, Administration for Children and Families, Department of Health and Human Services, Washington, DC, 202–417–0115, or *Deregulation@acf.hhs.gov*.

SUPPLEMENTARY INFORMATION: ACF published a notice of proposed rulemaking (NPRM) related to AFCARS in the **Federal Register** on January 11, 2008. The proposed rule would have amended the Adoption and Foster Care Analysis and Reporting System (AFCARS) regulations at 45 CFR 1355.40 and the appendices to Part 1355 to modify the requirements for States to collect and report data to ACF on children in out-of-home care and in subsidized adoption or guardianship arrangements with the State. The 2008 proposed rule would also have implemented the AFCARS penalty requirements of the Adoption Promotion Act of 2003 (Pub. L. 108–145).

ACF does not intend to publish a final rule following the publication of this NPRM on January 11, 2008. This decision was made due to the fact that the NPRM was published nearly 20 years ago by a prior Administration, and its continued existence on the **Federal Register** serves to only confuse the public. There have been multiple Administrations spanning this timeframe, with none seeking to finalize this proposed rulemaking. This withdrawal represents good governance and will ease the understandability of current Administration priorities for the public.

Robert F. Kennedy, Jr.,

Secretary, Department of Health and Human Services.
