

pursuant to the Paperwork Reduction Act of 1995.

DATES: We must receive written comments on or before October 13, 2026.

ADDRESSES: Send comments to Paperwork Reduction Act Comments (MP), Room 4100; National Archives and Records Administration; 8601 Adelphi Road, College Park, MD 20740–6001, or email them to forms@nara.gov.

FOR FURTHER INFORMATION CONTACT: Kristin Phillips, Paperwork Reduction Act Officer, by email at kristin.phillips@nara.gov or by telephone at 616–254–0405 with requests for additional information or copies of the proposed information collection and supporting statement.

SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104–13), we invite the public and other Federal agencies to comment on proposed information collections. If you have comments or suggestions, they should address one or more of the following points: (a) whether the proposed information collection is necessary for NARA to properly perform its functions; (b) our estimate of the burden of the proposed information collection and its accuracy; (c) ways we could enhance the quality, utility, and clarity of the information we collect; (d) ways we could minimize the burden on respondents of collecting the information, including through information technology; and (e) whether the collection affects small businesses.

We will summarize any comments you submit and include the summary in our request for OMB approval. All comments will become a matter of public record.

In this notice, we solicit comments concerning the following information collection:

Title: Facility Access Media (FAM) Request.

OMB number: 3095–0057.

Agency form number: NA Form 6006.

Type of review: Regular.

Affected public: Individuals or households.

Estimated number of respondents: 4,500.

Estimated time per response: 3 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 225 hours.

Abstract: The Facility Access Media (FAM) Request, NA Form 6006, is completed by all individuals requiring recurring access to non-public areas of NARA's facilities and IT network (such as NARA employees, contractors,

volunteers, NARA-related foundation employees, volunteers, interns, and other non-NARA federal employees, such as federal agency reviewers) herein referred to as “applicants,” in order to obtain NARA Facility Access Media (FAM). After approval of the request, the applicant is given a FAM, if approved, and is then able to access non-public areas of NARA facilities and IT network. The collection of information is necessary to comply with Homeland Security Presidential Directive (HSPD) 12 requirements for secure and reliable forms of personal identification issued by federal agencies to their employees, contractors, and other individuals requiring recurring access to non-public areas of government facilities and information services. This form was developed to comply with this requirement.

Gulam Shakir,

Executive for Information Services/CIO.

B. Submitting Comments

The NRC encourages electronic comment submission through the Federal rulemaking website (<https://www.regulations.gov>). Please include Docket ID NRC-2026-2345, in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized as follows.

1. *The title of the information collection:* 10 CFR part 37, Physical Protection of Category 1 and 2 Quantities of Radioactive Material.
2. *OMB approval number:* 3150-0214.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* NRC Form 755, "Advance Notification to the NRC of Shipments of Category 1 Quantities of Radioactive Material."
5. *How often the collection is required or requested:* One time for initial compliance notifications and fingerprints for the reviewing officials; and as needed for implementation notifications, event notifications, notifications of shipments of radioactive material, and fingerprinting of new employees.
6. *Who will be required or asked to respond:* Licensees that are authorized to possess and use category 1 or

category 2 quantities of radioactive material.

7. *The estimated number of annual responses:* 94,279 responses (3,384 Reporting + 960 Recordkeeping + 89,935 Third-Party Disclosure).

8. *The estimated number of annual respondents:* 3,840 respondents (780 Agreement State Licensees + 180 NRC licensees + 2,880 individuals making personal history disclosures under 37.23(d)).

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 51,579 hours (1,227 reporting + 16,707 recordkeeping + 33,645 third-party disclosure).

10. *Abstract:* Part 37 of title 10 of the Code of Federal Regulations (10 CFR), contains security requirements for the use of category 1 and category 2 quantities of radioactive material. Licensees are required to: (1) develop procedures for the implementation of the security provisions; (2) develop a security plan that describes how security is being implemented; (3) implement security measures for the protection of the radioactive material; (4) conduct training on the procedures and security plan; (5) conduct background investigations for those individuals permitted unescorted access to category 1 or category 2 quantities of radioactive material; (6) coordinate with Local Law Enforcement Agencies (LLEAs) so the LLEAs would be better prepared to respond in an emergency; and (7) conduct coordination activities before shipping category 2 radioactive material, and preplanning and coordination activities before shipping category 1 radioactive material. Licensees are required to promptly report any attempted or actual theft or diversion of the radioactive material. Licensees are required to keep copies of the security plan, procedures, background investigation records, training records, and documentation associated with implementation of the security program. The NRC uses the information required by 10 CFR part 37 to fulfill its responsibilities to respond to, investigate, and correct situations that have the potential to adversely affect public health and safety or the common defense and security.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility? Please explain your answer.

2. Is the estimate of the burden of the information collection accurate? Please explain your answer.

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Authority: 42 U.S.C. 2011 *et seq.*

Dated: August 10, 2026.

For the Nuclear Regulatory Commission.

Heather Dempsey,

Acting NRC Clearance Officer, Office of the Chief Information Officer.

NUCLEAR REGULATORY COMMISSION

[Docket No. 52-008; NRC-2008-0476]

Virginia Electric and Power Company, (Doing Business as Dominion Energy Virginia); North Anna Site; Early Site Permit Renewal Application

AGENCY: Nuclear Regulatory Commission.

ACTION: Notice; receipt.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) is providing public notice each week, for four consecutive weeks, of receipt and availability of an application for renewal of early site permit (ESP) ESP-003 for the North Anna ESP site from Virginia Electric and Power Company, doing business as (dba) Dominion Energy Virginia. Renewal of the ESP would allow the licensee to reference ESP-003 in a construction permit (CP) or combined license (COL) application for an additional 20-year period beyond the period specified in the ESP. The location for the North Anna ESP site is in Louisa County, Virginia, and the current ESP-003 expires on November 27, 2027.

DATES: The application for renewal of the North Anna ESP is available as of July 14, 2026.
