SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235–0657]

Agency Information Collection Activities; Proposed Collection; Comment Request; Extension: Rule 30b1–7 and Form N–MFP

Upon Written Request, Copies Available From: Securities and Exchange

Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (''SEC'' or ''Commission'') is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget (''OMB'') for extension and approval.

Section 30(b) of the Investment Company Act of 1940 (''Investment Company Act'')[1] provides that ''[e]very registered investment company shall file with the Commission . . . such information, documents, and reports (other than financial statements), as the Commission may require to keep reasonably current the information and documents contained in the registration statement of such company. . . .''[2] Rule 30b1–7 under the Investment Company Act, entitled ''Monthly Report for Money Market Funds,'' provides that every registered investment company, or series thereof, that is regulated as a money market funds under rule 2a–7[3] must file with the Commission a monthly report of portfolio holdings on Form N–MFP[4] no later than the fifth business day of each month.[5] Form N–MFP sets forth the specific disclosure items that money market funds must provide. Filers must submit this report electronically using the Commission's electronic filing system (''EDGAR'') in Extensible Markup Language (''XML'').

Compliance with rule 30b1–7 is mandatory for any fund that holds itself out as a money market fund in reliance on rule 2a–7. A fund must comply with the requirement to prepare Form N–MFP to hold itself out to investors as a money market fund or the equivalent of a money market fund in reliance on rule 2a–7. The collection of information is mandatory for money market funds that rely on rule 2a–7. Responses to the information collections will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The following estimates of average burden hours and costs are made solely for purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even representative survey or study of the cost of Commission rules and forms. The respondents to these collections of information will be money market funds. The Commission estimates there are 318 money market funds that report information on Form N–MFP.[6] Cost burden is the cost of goods and services purchased in connection with complying with the collection of information requirements of rule 30b1–7 and Form N–MFP. The cost burden does not include the internal hour burdens.

The table below summarizes our PRA annual burden estimates associated with Form N–MFP.

TABLE 1—BURDEN ESTIMATES FOR FORM N–MFP

	Internal burden hours	Wage rate [1]	Internal time burden	Annual external cost burden
Reporting for Money Market Funds Estimated Number of Money Market Funds [6]	[2] 132 hours × 318	[3] $459	[4] $60,588 × 318	[5] $9.288 × 318
Total Estimated Annual Burdens For Money Market Funds	41,976		$19,266,984	$2,953,584

Notes:

[1] To calculate the occupational hourly rates used in this release, the Commission uses occupational mean hourly wage data from the Occupational Employment and Wage Statistics (OEWS) program of the Bureau of Labor Statistics (BLS) for ''Securities, Commodity Contracts, and Other Financial Investments and Related Activities'' (NAICS 523)]. *See Occupational Employment and Wage Statistics,* U.S. BUREAU OF LABOR STATISTICS, *https://www.bls.gov/oes/; see also Standard Occupational Classification,* U.S. BUREAU OF LABOR STATISTICS, *https://www.bls.gov/soc/* (describing occupational classification system used by BLS); EXEC. OFF. OF THE PRESIDENT, OFF. OF MGMT. & BUDGET, NORTH AMERICAN INDUSTRY CLASSIFICATION SYSTEM (2022), *available at https://www.census.gov/naics/reference_files_tools/2022_NAICS_Manual.pdf* (describing the industry classification system used by BLS and other agencies). The mean hourly wage for each occupation is adjusted for changes in the seasonally adjusted employment cost index for private wages and salaries between the data reference period and when the data are released by BLS. *See Employment Cost Index,* U.S. BUREAU OF LABOR STATISTICS, *https://www.bls.gov/eci/.* The adjusted mean hourly wage is then multiplied by a factor that accounts for nonwage costs borne by employers, such as bonuses, benefits, and overhead. This factor is calculated as an average over the 10 most recently available years of data of the ratio of the Bureau of Economic Analysis's annual gross output data for NAICS 523 to total annual wages across all occupations for NAICS 523 in the OEWS data. *See Gross Output by Industry,* U.S. BUREAU OF ECONOMIC ANALYSIS, *https://www.bea.gov/data/industries/gross-output-by-industry; Occupational Employment and Wage Statistics,* U.S. BUREAU OF LABOR STATISTICS, *https://www.bls.gov/oes/.* The final product is the occupational hourly rate. *See generally* UPDATED METHODOLOGY FOR CALCULATING OCCUPATIONAL HOURLY RATES (Dec. 19, 2025), *available at https://www.sec.gov/files/method-occupational-hourly-rates.pdf.*

[2] This estimate is based on the following calculation: (12 monthly filings × 11 internal burden hours) = 132 total annual burden hours.

[3] This represents a blended hourly rate of $459 for a Financial Manager ($730 per hour), Accountant and Auditor ($330 per hour), Database Administrator ($375 per hour), and Financial and Investment Analyst ($399 per hour). The blended hourly rate was calculated as ($730 + $330 + $375 + $399)/4 = $459, as rounded to the nearest whole dollar.

[4] This represents 132 hours × $459/hour = $60,588.

[5] This represents 12 monthly filings × $774 external cost burden per filing (representing 1 hour for a lawyer ($774)) = $9,288.

[6] This estimate is based on Form N–MFP filings as of March 2026.

Our change in burden estimates is shown in table 2 below.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–106062; File Nos. S7–2026–07 and S7–2026–11]

Reopening of Comment Period; Notices of Request for Exemptive Relief, Pursuant to Section 36(a) of the Securities Exchange Act of 1934, From Certain Aspects of Rule 17ad–22(e)(18)(iv) of the Securities Exchange Act of 1934 and Requests for Comment

I. Introduction

On December 13, 2023, the Securities and Exchange Commission (''Commission'' or ''SEC'') adopted,[1] among other things, Rule 17ad–22(e)(18)(iv)(A) (the ''Trade Submission Requirement'')[2] under the Securities Exchange Act of 1934 (''Exchange Act''). The Trade Submission Requirement requires a covered clearing agency that provides central counterparty services for transactions in U.S. Treasury securities (''U.S. Treasury securities CCA'')[3] to establish, implement, maintain and enforce written policies and procedures reasonably designed to require that any direct participant must submit for clearance and settlement all ''eligible secondary market transactions'' to which that direct participant is a counterparty. An ''eligible secondary market transaction'' is, in turn, defined as, among other things, a repurchase or reverse repurchase agreement collateralized by U.S. Treasury securities, in which one of the counterparties is a direct participant (''repo'').[4]

On February 27, 2026, the Institute of International Bankers submitted a letter to the Commission requesting exemptive relief from the Trade Submission Requirement for certain Non-U.S. Transactions, specifically, the transactions of foreign financial institutions who are direct participants of a U.S. Treasury securities CCA when transacting with non-U.S. clients. On March 6, 2026, the Commission published the notice to request and encourage interested persons to comment on the request for exemptive relief pursuant to section 36 of the Exchange Act, including whether the Commission should grant the request.[5] As part of the IIB Notice, the Commission included specific questions to which it is soliciting comments. The initial comment period for the IIB Notice closed on April 10, 2026, and the Commission then reopened the comment period, which then closed on May 29, 2026.[6]

On April 10, 2026, the Securities Industry and Financial Markets Association submitted a letter to the Commission requesting exemptive relief in two areas related to the Trade Submission Requirement. First, SIFMA requested exemptive relief to expand the Inter-Affiliate Exclusion to the Trade Submission Requirement (the ''SIFMA First Request''). Specifically, SIFMA requested that the definition of an ''affiliated counterparty'' be expanded to include all affiliates, except for investment company entities.[7] Second, SIFMA requested that the outward-facing condition not include repo transactions between non-U.S. affiliates and non-U.S. counterparties, to the extent that the direct participant does not exceed a specific activity level threshold for those transactions (the ''SIFMA Second Request''). On April 17, 2026, the Commission published the

Specifically, the Commission sought comment on ''(i) whether the relief requested interacts, if at all, with the relief requested by the Securities Industry and Financial Markets Association ('SIFMA'), and (ii) whether there are any competitive concerns that could arise if the Commission granted the relief requested as noticed, including, but not limited to, the potential impact on liquidity in the U.S. Treasury market.'' *Id.*

[7] Rule 17ad–22(a) defines an affiliated counterparty as any counterparty which meets the following criteria: (i) The counterparty is either a bank (as defined in 15 U.S.C. 78c(6)), broker (as defined in 15 U.S.C. 78c(4)), dealer (as defined in 15 U.S.C. 78c(5)), or futures commission merchant (as defined in 7 U.S.C. 1a(28)), or any entity regulated as a bank, broker, dealer, or futures commission merchant in its home jurisdiction; (ii) The counterparty holds, directly or indirectly, a majority ownership interest in the direct participant, or the direct participant, directly or indirectly, holds a majority ownership interest in the counterparty, or a third party, directly or indirectly, holds a majority ownership interest in both the direct participant and the counterparty; and (iii) The counterparty, direct participant, or third party referenced in paragraph (ii) of this definition as holding the majority ownership interest would be required to report its financial statements on a consolidated basis under U.S. Generally Accepted Accounting Principles or International Financial Reporting Standards, and such consolidated financial statements include the financial results of the majority-owned party or of both majority-owned parties.
