Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.,* within 90 days of publication).

Pursuant to 19 CFR 351.212(b)(1), if POSCO's weighted-average dumping margin is not zero or *de minimis* (*i.e.,* less than 0.5 percent) in the final results of this review, we will calculate an importer-specific *ad valorem* duty assessment rate based on the ratio of the total amount of dumping calculated for the U.S. sales for a given importer to the total entered value of those sales. If, in the final results, either POSCO's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific *ad valorem* assessment rate is zero or *de minimis,* we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.[19]

For entries of subject merchandise during the POR produced by POSCO for which it did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate such unreviewed entries pursuant to the reseller policy,[20] *i.e.,* the assessment rate for such entries will be equal to the all-others rate established in the investigation (*i.e.,* 41.10 percent), if there is no rate for the intermediate company(ies) involved in the transaction.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for POSCO will be equal to POSCO's weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent, and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the underlying investigation, and does not have a cash deposit rate from a completed segment of this proceeding, but the producer of the subject merchandise does have a cash deposit rate, then the cash deposit rate will be the rate established for the completed segment for the most recent POR for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 41.10 percent, the all-others rate established in the underlying investigation.[21] These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: August 7, 2026.

SUPPLEMENTARY INFORMATION:

Background

On February 10, 2026, Commerce published the *Preliminary Results* of the 2023–2024 and invited interested parties to comment.[1] The review covers one mandatory respondent, PT. Kenertec Power System (Kenertec). We received timely case and rebuttal briefs from Kenertec and the Wind Tower Trade Coalition (petitioner).[2] On March 3 and August 3, 2026, Commerce extended the deadline for the final results of this administrative review, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(h)(2);[3] accordingly, the deadline for these final results is now August 10, 2026.

For a complete description of the events that occurred since the *Preliminary Results, see* the Issues and Decision Memorandum.[4] The Issues and

Scope of the Order [5]

The merchandise subject to the *Order* is wind towers from Indonesia. A full description of the scope of the *Order* is contained in the Issues and Decision Memorandum.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs are addressed in the Issues and Decision Memorandum and are listed in the appendix to this notice.

Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties regarding our *Preliminary Results,* and for the reasons explained in the Issues and Decision Memorandum, Commerce made certain changes to the weighted-average dumping margin calculations for Kenertec.[6]

Final Results of Review

We determine that the following weighted-average dumping margin exists for the period August 1, 2023, through July 31, 2024:

Producer/exporter	Weighted-average dumping margin (percent)
PT. Kenertec Power System	0.00

Disclosure

Commerce intends to disclose the calculations performed in connection with these final results of review to parties in this review within five days after public announcement of the final results or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Because we calculated a zero percent margin in the final results of this review for Kenertec, in accordance with 19 CFR 351.212, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

In accordance with Commerce's ''automatic assessment'' practice, for entries of subject merchandise during the POR produced by the respondent and the respondent did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate entries not reviewed at the all-others rate established in the original less-than-fair-value (LTFV) investigation (*i.e.,* 8.53 percent) [7] if there is no rate for the intermediate company(ies) involved in the transaction.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.,* within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of this notice in the **Federal Register** for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Kenertec will be zero, the rate established in the final results of this review; (2) for merchandise exported by a company not covered in this review but covered in a prior completed segment of the proceeding, the cash deposit will continue to be the company-specific rate published in the completed segment for the most recently completed period; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the producer has been covered in a prior completed segment of this proceeding, then the cash deposit rate will be the rate established in the completed segment for the most recent period for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 8.53 percent, the all-others rate established in the LTFV investigation for this proceeding.[8] These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order (APO)

This notice serves as the only reminder to parties subject to APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a violation subject to sanction.

Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.221(b)(5).

Dated: August 10, 2026.

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Final Results and Rescission, in Part, of Antidumping Duty Administrative Review; 2023–2024

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that Bien Dong Seafood Co., Ltd. (Bien Dong) and NTSF Seafoods Joint Stock Company (NTSF), made sales of certain frozen fish fillets (fish fillets) at less than normal value (NV) during the period of review (POR) August 1, 2023, through July 31, 2024.

DATES: Applicable August 13, 2026.

FOR FURTHER INFORMATION CONTACT: Blair Hood or Gemma Larsen, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–8329 or (202) 482–8125, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 11, 2026, Commerce published the *Preliminary Results* of this administrative review.[1] On March 31, 2026, Commerce invited interested parties to comment on the *Preliminary Results.*[2] On May 21, 2026, Commerce extended the deadline for issuing the final results of this review by 53 days.[3] On July 28, 2026, Commerce extended the deadline for the final results by an additional 4 days.[4] On August 6, 2026, Commerce extended the deadline for the final results by an additional 3 days.[5] Accordingly, the deadline for these final results is now August 10, 2026. Commerce conducted this administrative review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act).

For a complete description of the events that occurred since the *Preliminary Results, see* the Issues and Decision Memorandum.[6] The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at *https://access.trade.gov.* In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at *https://access.trade.gov/frnotices.*

Scope of the Order[7]

The products covered by the *Order* are fish fillets from Vietnam. For a complete description of the scope of the *Order, see* the Issues and Decision Memorandum.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of subject merchandise during the POR subject to the antidumping duty order for which liquidation is suspended, Commerce may rescind an administrative review, in whole or only with respect to a particular exporter or producer.[8] At the end of the administrative review, any suspended entries are liquidated at the assessment rate computed for the review period.[9] Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry to be liquidated at the newly calculated assessment rate.

In the *Preliminary Results,* Commerce preliminarily rescinded this review with respect to 24 companies and the Vietnam-wide entity because all review requests from the interested parties with standing were withdrawn, and the only remaining review request is from an interested party that did not have standing in this review. We invited interested parties to comment.[10] We received no comment other than how Commerce inadvertently listed I.D.I. International Development under ''Appendix IV—Vietnam-Wide Entity'' instead of under ''Appendix II—Companies for Which Commerce is Rescinding the Review.''[11] To rectify this error, we are rescinding this administrative review with respect to this company.[12] Therefore, in the absence of suspended entries of subject merchandise during the POR, we are hereby rescinding this administrative review, in part, with respect to 25 companies[13] and the Vietnam-wide entity,[14] in accordance with 19 CFR 351.213(d)(3).

Analysis of Comments Received

All issues raised in case and rebuttal briefs filed by interested parties in this administrative review are addressed in the Issues and Decision Memorandum. A list of the issues addressed in the Issues and Decision Memorandum is provided in Appendix I to this notice.

Changes Since the Preliminary Results

Based on our review of the record and analysis of the comments received, we made certain changes to the *Preliminary Results.* For a more detailed description of the issues raised by parties, *see* the Issues and Decision Memorandum.[15]

Rates for Non-Examined Separate Rate Respondents

We received no comments and made no changes to the methodology in the *Preliminary Results* regarding the separate-rate companies. We continue to find that two companies not individually examined, Cantho Import Export Seafood Joint Stock Company and Nam Viet Corporation, are eligible for separate rates in this administrative review. Accordingly, to determine the rate for companies not selected for individual examination, Commerce's
