SUPPLEMENTARY INFORMATION:

A. OMB Control Number, Title, and Any Associated Form(s)

9000–0138, Contract Financing.

B. Need and Uses

This clearance covers the information that offerors and contractors must submit to comply with the following Federal Acquisition Regulation (FAR) requirements:

- FAR 52.232–28, Invitation to Propose Performance-Based Payments.

This provision requires an offeror, when invited to propose terms under which the Government will make performance-based contract financing payments during contract performance,

to include the following: the proposed contractual language describing the performance-based payments; information addressing the contractor's investment in the contract and a listing of—

(i) The projected performance-based payment dates and the projected payment amounts; and

(ii) The projected delivery date and the projected payment amount.

- FAR 52.232–29, Terms for Financing of Purchases of Commercial Products and Commercial Services.

• FAR 52.232–30, Installment Payments for Commercial Products and Commercial Services.

These clauses require contractors, under commercial purchases pursuant to FAR part 12, to include with their payment requests an appropriately itemized statement of the financing payments requested and other supporting information, prepared in concert with the contracting officer.

- FAR 52.232–31, Invitation to Propose Financing Terms.

This provision requires an offeror, when invited to propose terms under which the Government will make contract financing payments during contract performance under commercial purchases pursuant to FAR part 12, to include the following: the proposed contractual language describing the contract financing; and a listing of the earliest date and greatest amount at which each contract financing payment may be payable and the amount of each delivery payment.

- FAR 52.232–32, Performance-Based Payments.

This clause requires the contractor's request for performance-based payment to include any information and documentation as required by the contract's description of the basis for payment; and a certification by a contractor official authorized to bind the contractor.

The contracting officer uses the collected information to review and approve contract financing requests, and establish and administer contract financing terms.

C. Common Form

The General Services Administration is the sponsor agency of this common form. All executive agencies covered by the FAR will use this common form. Each executive agency will report their agency burden separately, and the reported information will be available at Reginfo.gov.

Submission for OMB Review; Prospective Subcontractor Requests for Bonds

AGENCY: Office of Federal Procurement
Policy (OFPP), Office of Management
and Budget (OMB); Department of
Defense (DOD); General Services
Administration (GSA); and National
Aeronautics and Space Administration
(NASA).

ACTION: Notice.

SUMMARY: Under the provisions of the
Paperwork Reduction Act, the
Regulatory Secretariat Division has
submitted to OMB a request to review
and approve an extension of a
previously approved information
collection requirement regarding
prospective subcontractor requests for
bonds.

DATES: Submit comments on or before
September 14, 2026.

ADDRESSES: Written comments and
recommendations for this information
collection should be sent within 30 days
of publication of this notice to

4075.

SUPPLEMENTARY INFORMATION:

A. OMB Control Number, Title, and Any Associated Form(s)

9000–0135, Prospective Subcontractor
Requests for Bonds.

B. Need and Uses

Part 28 of the Federal Acquisition
Regulation (FAR) contains guidance
related to obtaining financial protection
against losses under Federal contracts
(e.g., bonds, bid guarantees, etc.). Part
52 contains the corresponding
provisions and clauses. These
collectively implement the statutory
requirement for Federal contractors to
furnish payment bonds under
construction contracts subject to 40
U.S.C. chapter 31, subchapter III, Bonds.

This information collection is
mandated by section 806(a)(3) of Public
Law 102–190, as amended by sections
2091 and 8105 of the Federal
Acquisition Streamlining Act of 1994
(10 U.S.C. 4601 note prec.) (Pub. L. 103–
335). Accordingly, the FAR clause at
52.228–12, Prospective Subcontractor
Requests for Bonds, requires prime
contractors to promptly provide a copy
of a payment bond, upon the request of
a prospective subcontractor or supplier
offering to furnish labor or material
under a construction contract for which
a payment bond has been furnished
pursuant to 40 U.S.C. chapter 31.

C. Common Form

The General Services Administration
is the sponsor agency of this common
form. All executive agencies covered by
the FAR will use this common form.
Each executive agency will report their
agency burden separately, and the
reported information will be available at
Reginfo.gov.

D. Annual Burden

General Services Administration

Respondents: 317.

Total Annual Responses: 793.

Total Burden Hours: 270.

E. Public Comment

A 60-day notice was published in the
Federal Register at 91 FR 27052, on
May 13, 2026. A comment was received;
however, it did not change the estimate
of the burden.

Comment: The respondent strongly
supports the extension of the
information collection, as access to
payment bond information protects
prospective subcontractors on federal
construction projects.

Response: The FAR Council
appreciates the feedback received.
