

EXPORT-IMPORT BANK**[Public Notice: EIB-2026-0199]****Application for Final Commitment for a Long-Term Loan or Financial Guarantee in Excess of \$100 Million: AP300126XX****AGENCY:** Export-Import Bank of the United States.**ACTION:** Notice.

SUMMARY: This Notice is to inform the public that the Export-Import Bank of the United States (“EXIM”) has received an application for final commitment for a long-term loan or financial guarantee in excess of \$100 million. Consistent with EXIM’s mandate to strengthen U.S. economic competitiveness and national security, the proposed transaction supports the development of critical mineral resources essential to resilient domestic supply chains and advanced manufacturing. Comments received within the comment period specified below will be presented to the EXIM Board of Directors prior to final action on this Transaction.

DATES: Comments must be received on or before September 11, 2026 to be assured of consideration before final consideration of the transaction by the Board of Directors of EXIM.

ADDRESSES: Comments may be submitted through *Regulations.gov* at *www.regulations.gov*. To submit a comment, enter EIB-2026-0199 under the heading “Enter Keyword or ID” and select Search. Follow the instructions provided at the Submit a Comment screen. Please include your name, company name (if any) and EIB-2026-0199 on any attached document.

SUPPLEMENTARY INFORMATION:

Reference: AP300126XX.

Purpose and Use:

Brief description of the purpose of the transaction: To finance the development an iron ore mine in the Mesabi Range and a Direct Reduction Iron plant (7.5 million tonnes per annum) in Nashwauk, Minnesota under EXIM’s Make More in America initiative.

This project advances U.S. leadership by expanding domestic segment of the steel supply chain that is foundational to infrastructure, defense systems, transportation, manufacturing, energy, shipbuilding and defense related supply chains.

The transaction is expected to enhance supply chain resilience, reduce reliance on foreign sources for this strategically important industrial capacity and support high-quality U.S. jobs.

Brief non-proprietary description of the anticipated use of the items being

produced: The financing will be used for domestic purposes and will result in direct reduction iron pellets, key to electric arc furnace steel making. These pellets will be used domestically and exported internationally as per requirements under EXIM’s MMIA program.

Parties:

Principal Supplier: Various U.S. Entities.

Obligor: Mesabi Metallics Company LLC

Guarantor(s): Miranda Mineral Resources LLC, Mesabi Financing Corp and Mesabi Land 1 LLC

Description of Items Being Exported: The items being exported will be direct reduction iron pellets.

Information on Decision: Information on the final decision for this transaction will be available in the “Summary Minutes of Meetings of Board of Directors” on *https://www.exim.gov/news/meeting-minutes*.

Confidential Information: Please note that this notice does not include confidential or proprietary business information; information which, if disclosed, would violate the Trade Secrets Act; or information which would jeopardize jobs in the United States by supplying information that competitors could use to compete with companies in the United States.
