Pesticide Product Registration; Receipt of Applications for New Uses (May 2026)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of receipt and request for comment.

SUMMARY: This document announces the Agency's receipt of and solicits comments on applications to register new pesticide products containing currently registered active ingredients that would entail a change in use pattern. The Agency is providing this notice in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). EPA uses the month and year in the title to identify when the Agency compiled the applications identified in this notice of receipt. Unit II. of this document identifies certain applications received in 2025 and 2026 that are currently being evaluated by EPA, along with information about each application, including when it was received, who submitted the application, and the purpose of the application.

DATES: Comments must be received on or before September 16, 2026.

ADDRESSES: Submit your comments, identified by the docket identification (ID) number and the *EPA File Symbol* or the *EPA Registration Number* of interest as shown in Unit II. of this document, online at <https://www.regulations.gov>. Follow the online instructions for submitting comments. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Additional instructions on commenting on and visiting the docket, along with more information about dockets generally, are available at <https://www.epa.gov/>.

FOR FURTHER INFORMATION CONTACT: Each application summary in Unit II. specifies a contact division. The appropriate division contacts are identified as follows:

- RD (Registration Division) (Mail Code 7505T); Charles Smith; main telephone number: (202) 566-1030; email address: RDNRNotices@epa.gov.

SUPPLEMENTARY INFORMATION:

I. Executive Summary

A. Does this action apply to me?

This action provides information that is directed to the public in general.

B. What is the Agency's authority for taking this action?

EPA is taking this action pursuant to section 3(c)(4) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), 7 U.S.C. 136a(c)(4), and 40 CFR 152.102.

C. What action is the Agency taking?

EPA is hereby providing notice of receipt and opportunity to comment on applications to register new pesticide products containing currently registered active ingredients that would entail a change in use pattern. EPA provides a notice of receipt on a monthly basis, using the month and year in the title to help distinguish one document from the other. This document identifies the applications that were received since the last notice that was issued and are currently being evaluated by EPA in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). Notice of receipt of these applications does not imply a decision by the Agency on these applications. For actions being evaluated under EPA's public participation process for registration actions, there will be an additional opportunity for public comment on the proposed decisions. Please see EPA's public participation website for additional information on this process (<https://www.epa.gov/registration/participation-process-registration-actions>).

D. What should I consider as I prepare my comments for EPA?

1. *Submitting CBI.* Do not submit CBI to EPA through <https://www.regulations.gov> or email. If you wish to include CBI in your comment, please follow the applicable instructions at <https://www.epa.gov/dockets/commenting-epa-dockets#rules> and clearly mark the information that you claim to be CBI. In addition to one complete version of the comment that includes CBI, a copy of the comment without CBI must be submitted for

inclusion in the public docket. Information marked as CBI will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

2. *Tips for preparing your comments.* When preparing and submitting your comments, see the commenting tips at <https://www.epa.gov/commenting-epa-dockets>.

Pesticide Program Dialogue Committee (PPDC); Notice of Charter Reestablishment; Request for Nominations

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of charter reestablishment and request for nominations.

SUMMARY: Notice is hereby given that the Environmental Protection Agency (EPA) has determined that, in accordance with the provisions of the Federal Advisory Committee Act (FACA), the Pesticide Program Dialogue Committee (PPDC) is in public interest and is necessary in connection with the performance of EPA's duties. Accordingly, PPDC will be reestablished for a two-year period and renewed as determined necessary. Copies of the PPDC charter will be filed with the appropriate congressional committees and the Library of Congress. In addition, EPA is seeking member nominations for the PPDC from qualified candidates to serve a two-year term. The purpose of PPDC is to provide advice and recommendations to the EPA Administrator on issues associated with regulatory development and reform initiatives, evolving public policy and program implementation issues, and science issues associated with evaluating and reducing risks from use of pesticides. To maintain the representation outlined by the charter, nominees will be selected to represent: pesticide industry and trade associations; pesticide user, grower, and commodity groups; federal, state, local, and tribal governments; academia; animal welfare and public health organizations; environmental and public interest organizations; farm worker organizations; and the general public. Vacancies are expected to be filled by November 2026.

DATES: Nominations for the PPDC must be submitted within September 16, 2026.

FOR FURTHER INFORMATION CONTACT:

Jeffrey Chang, Designated Federal Official (DFO) for the PPDC; telephone number: (202) 566–2213, email address: chang.jeffrey@epa.gov.

SUPPLEMENTARY INFORMATION:

Potentially affected entities may include but are not limited to: Agricultural workers and farmers; pesticide industry and trade associations; environmental, consumer, and farm worker groups; pesticide users and growers; animal welfare groups; pest consultants; state, local, and tribal governments; academia; public health organizations; and the public. If you have questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How can I get copies of this document and other related information?

The docket for this action, identified by docket identification (ID) number EPA–HQ–OPP–2025–1774, is available online at <https://www.regulations.gov>.

II. Background

In accordance with the Federal Advisory Committee Act (FACA), as amended, EPA is providing notice of the re-establishment of the charter of the Pesticide Program Dialogue Committee. This charter will be renewed for a two-year period, beginning on the date it is filed with the appropriate congressional committees.

The PPDC is a federal advisory committee chartered under FACA. EPA established the PPDC in September 1995 to provide policy advice, information and recommendations to the EPA Administrator through the Director of the Office of Pesticide Programs. The PPDC provides a public forum to discuss a wide variety of pesticide regulatory developments and reform initiatives, evolving public policy and program implementation issues associated with evaluating and reducing risks from the use of pesticides. The EPA will consider candidates from the following sectors: Pesticide industry and trade associations; pesticide user, grower, and commodity groups; federal, state, local, and tribal governments; academia; animal welfare and public
