Abstract: This request for clearance enables the National Institute of Justice, in collaboration with the Office of Juvenile Justice and Delinquency Prevention, to administer the 2027 Juvenile Facility Census Program (JFCP). The JFCP collects information from all secure and nonsecure residential placement facilities that house persons younger than age 21 who are being held as a result of some contact with the juvenile justice system for a law violation. This encompasses both status offenses and delinquency offenses and includes youth who are either temporarily detained by the court or committed after adjudication for an offense. The JFCP collects general information on facility characteristics and the number of youth housed, and includes two rotating content modules that are administered separately during a two-year collection cycle: the Youth Population module and the Facility Operations module. The Youth Population module collects detailed information on individual youth housed in facilities, including demographic details, placement characteristics, and length of stay. The Facility Operations module collects information on resident services, facility features, and operations. The information gathered in these national collections will be used in published reports and statistics. The reports will be made available to the U.S. Congress, Executive Office of the President, practitioners, researchers, students, the media, others interested in juvenile residential facilities, and the general public via the OJP agency websites. The two data collections are being consolidated to attain cost savings and reduce respondent burden.

5. *Obligation to Respond:* Voluntary.

6. *Total Estimated Number of Respondents:* The total estimated respondents is 1,636 for each module for each year or 6,544 for two survey administrations.

7. *Estimated Time per Respondent:* It takes an average of 6 hours to complete the JFCP. The total burden for two survey administrations is 19,632, including the two rotating content

modules that are administered separately during a 2-year collection cycle. The Youth Population module takes an average of 4 hours to complete. The total burden for the Youth Population module is 6,544 hours each survey administration. The Facility Operations module takes an average of 2 hours to complete. The total burden for the Facility Operations module is 3,272 hours each survey administration.

8. *Frequency:* The JFCP is a biennial data collection with two content modules administered separately during a two-year collection cycle.

9. *Total Estimated Annual Time Burden:* The average annual burden is 4,908 or 9,816 total hours for the two-year collection cycle.

10. *Total Estimated Annual Other Costs Burden:* The estimated annual cost for JFCP is \$1,142,115. The estimated cost for two collection cycles is \$4,568,460.

Overview of This Information Collection

1. *Type of Information Collection:* New collection.
2. *Title of the Form/Collection:* Requests for DOJ Certification Letters for T Visa Holders.
3. *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* 1123–1NEW.
4. *Affected public who will be asked or required to respond, as well as a brief abstract:*
Affected Public: Primary: Individuals or households.
Abstract: Eligible non-citizen victims of human trafficking victims are entitled to petition the U.S. Citizenship and Immigration Services (USCIS), Department of Homeland Security (DHS), for temporary non-immigrant “T visas” pursuant to 8 U.S.C. 1101(a)(15)(T). T visas allow qualifying human trafficking victims to legally remain in the U.S. for up to 4 years if they comply with reasonable law enforcement requests for assistance. 8 U.S.C. 1101(a)(15)(T). Minors and those too traumatized to assist are exempt from assisting law enforcement. 8 U.S.C. 1101(a)(15)(T)(i)(III).

Qualifying T visa holders can petition DHS to adjust to Lawful Permanent Resident status if they meet statutory requirements under 8 U.S.C. 1255(l). To apply for an adjustment of status, a T visa holder must have remained continuously present in the U.S. for at least 3 years, or until completion of the investigation or prosecution, whichever is shorter. § 1255(l); 8 CFR 245.23(a). To apply for early adjustment of status within 3 years of receiving the T visa, the T visa holder must establish that the “Attorney General has determined that the investigation or prosecution is complete.” 8 U.S.C. 1255(l)(A). To establish their eligibility for early adjustment with USCIS, applicants with less than 3 years of continuous physical presence as T visa holders “must submit a document signed by the Attorney General or their designee, attesting that the investigation or prosecution is complete.” 8 CFR 245.23(e)(2)(i)(B).

5. *Obligation to Respond:* To apply for early adjustment of status within 3 years of receiving the T visa, the T visa holder must establish that the “Attorney General has determined that the investigation or prosecution is complete.” 8 U.S.C. 1255(l)(A). To establish their eligibility for early adjustment with USCIS, applicants with less than 3 years of continuous physical

presence as T visa holders “must submit a document signed by the Attorney General or their designee, attesting that the investigation or prosecution is complete.” 8 CFR 245.23(e)(2)(i)(B) (emphasis added).

6. *Total Estimated Number of Respondents:* An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: DHS reported that between 2021 and 2025, DHS approved over 9,000 T visa applications. Some portion of these approved applicants have applied or will apply for DOJ Certification Letters.

7. *Estimated Time per Respondent:* Will vary depending on the documentation available to the applicant but estimated time for applicant to compile application would be on average three hours.

8. *Frequency:* Constant.

9. *Total Estimated Annual Time Burden:* Burden Hours: Assuming 2,000 applications from respondents annually with an average time per respondent of 3 hours, then the annual time burden is 6,000 hours (2,000 × 3 hours).

10. *Total Estimated Annual Other Costs Burden:*
