V. Accelerated Approval of the Proposed Rule Change, as Modified by Amendment No. 4

The Commission finds good cause to approve the proposed rule change, as modified by Amendment No. 4, prior to the thirtieth day after the date of publication of Amendment No. 4 in the **Federal Register**. Amendment No. 4 does not alter any substantive provisions of the proposed rule change or raise any regulatory issues substantially different from what is set forth in the Notice and Amendment No. 3, which were subject to public comment. Amendment No. 4 extends the effective date from October 1, 2026 to July 1, 2027. This limited change is responsive to comment letters requesting a delay in the transition period. The 9-month delay addresses potential administrative and governance burdens on listed issuers and is consistent with the original proposal's intent to provide sufficient time to implement reverse stocks splits to increase share prices. For these reasons, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act,[120] to approve the proposed rule change, as modified by Amendment No. 4, on an accelerated basis.

VI. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,[121] that the proposed rule change (SR–NYSEAMER–2025–72), as modified by Amendment No. 4, be and hereby is, approved on an accelerated basis.

[120] 15 U.S.C. 78s(b)(2).

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Extension: Form 6–K—Exchange Act Rules 13a–16 and 15d–16

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (''PRA'') (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (''Commission'') has submitted to the Office of Management and Budget (''OMB'') this request for an extension of the previously approved collection of information discussed below.

Form 6–K (17 CFR 249.306) is a disclosure document under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) that must be filed by a foreign private issuer to report material information promptly after the occurrence of specified or other important corporate events that are disclosed in the foreign private issuer's home country. The purpose of Form 6–K is to ensure that U.S. investors have access to the same information that foreign investors do when making investment decisions. The information required by Form 6–K is mandatory, and Form 6–K filings are publicly available on the Commission's Electronic Data Gathering, Analysis, and Retrieval (''EDGAR'') system. We estimate that Form 6–K takes approximately 8.7 total hours per response to comply with the form's information collection requirements and is filed approximately 21.29 times per year by approximately 1,261 respondents, for a total of approximately 26,848 responses per year. We estimate that 75% of the 8.7 hours per response is carried internally by the issuer for a total annual reporting burden of 175,183 hours (8.7 total hours per response × 75% × 26,848 responses annually). We estimate that 25% of the 8.7 hours per response is carried externally by outside professionals retained by the issuer at an estimated rate of $600 per hour for a total annual cost burden of $35,036,640 (8.7 total hours per response × 25% × $600 per hour × 26,848 responses annually).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.
