[Project No. 77–332]

Pacific Gas and Electric Company; Notice of Additional Scoping Sessions on Proposed Surrender, Decommissioning, and Non-Project Use of Project Lands

On July 25, 2025, Pacific Gas and Electric Company (applicant or PG&E) filed an application to surrender and decommission the Potter Valley Hydroelectric Project No. 77. The project is located on the Eel River and East Branch of the Russian River in Lake and Mendocino counties, California. The project occupies federal lands managed by the U.S. Forest Service.

On May 22, 2026, the staff of the Federal Energy Regulatory Commission

(FERC or Commission) initiated a scoping process as part of its review and held scoping meetings on June 23 and 24, 2026 in Ukiah, California. On July 24, 2026, Commission staff extended the comment period to September 18, 2026, by 5 p.m. Eastern Time, for the filing of scoping comments.

By this notice, Commission staff provides notice of two additional public scoping sessions to collect comments on the scope of the environmental issues that should be analyzed in the NEPA document. All interested individuals, resource agencies, Native American Tribes, and non-governmental organizations (NGOs) are invited to attend one or both of the sessions.

These additional sessions will follow the format of the June 23 and 24, 2026 sessions. There will be no formal presentations at either session. Numbered tickets will be handed out on a first-come, first-serve basis; individuals will be called in order by ticket number to provide oral comments to be transcribed by a stenographer for the formal record. Time limits on oral comments may be enforced to ensure those wishing to comment have the opportunity to do so. The times and locations of the additional scoping sessions are as follows:

Evening Scoping Session

Date: Tuesday, September 15, 2026.

Time: 6:00 p.m.–8:00 p.m. Pacific Time (PT).

Place: Wharfinger Building.

Address: 1 Marina Way, Eureka, CA 95501.

Daytime Scoping Session

Date: Wednesday, September 16, 2026.

Time: 9:00 a.m.–11:00 a.m. (PT).

Place: Wharfinger Building.

Address: 1 Marina Way, Eureka, CA 95501.

If you provided comments in our previous June 23–24 scoping sessions, you do not need to attend and/or resubmit your comments. For additional information on the proceeding, see our May 22, 2026 notice and Scoping Document 1. The comment period for filing all scoping comments closes on September 18, 2026, by 5 p.m. Eastern Time.

For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, contact the Office of Public Participation at (202) 502–6595 or OPP@ferc.gov.

If you have further questions, you may also contact Diana Shannon at diana.shannon@ferc.gov or 202–502–6136.

(Authority: 18 CFR 2.1.)

Dated: August 13, 2026.

[Docket No. CP26–562–000]

Columbia Gas Transmission, LLC; Notice of Request Under Blanket Authorization and Establishing Intervention and Protest Deadline

Take notice that on August 7, 2026, Columbia Gas Transmission, LLC (Columbia), 700 Louisiana Street, Suite 1300, Houston, Texas 77002–2700, filed in the above referenced docket, a prior notice request pursuant to sections 157.205 and 157.216(b) of the Commission's regulations under the Natural Gas Act (NGA), and Columbia's blanket certificate issued in Docket No. CP83–76–000, for authorization to: (i) abandon in place approximately 5.39 miles of Columbia's 10-inch-diameter BKY pipeline, (ii) abandon by removal approximately 0.19 miles of Columbia's 10-inch-diameter BKY pipeline, and (iii) remove associated mainline valves meters, a rectifier, and appurtenant facilities. All of the above facilities are located in Lawrence County, Kentucky, and Wayne County, West Virginia (BKY Abandonment Project). The project will allow Columbia to facilitate the planned expansion of an adjacent third-party facility since the proposed pipeline segments are no longer required to support Columbia's current firm service obligations. The estimated cost for the project is \$2,797,063, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

Any questions concerning this request should be directed to LaShawndra R. Proctor, Manager, Project Authorizations, Columbia Gas Transmission, LLC, 700 Louisiana Street, Suite 1300, Houston, Texas 77002–2700, by phone at (832) 320–5232, or by email at lashawndra_proctor@tcenergy.com.

Public Participation

There are three ways to become involved in the Commission's review of this project: you can file a protest to the project, you can file a motion to intervene in the proceeding, and you can file comments on the project. There is no fee or cost for filing protests, motions to intervene, or comments. The deadline for filing protests, motions to intervene, and comments is 5:00 p.m. Eastern Time on October 13, 2026. How to file protests, motions to intervene, and comments is explained below.

For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, contact the Office of Public Participation (OPP) at (202) 502–6595 or OPP@ferc.gov.

Protests

Pursuant to section 157.205 of the Commission's regulations under the NGA,¹ any person² or the Commission's staff may file a protest to the request. If no protest is filed within the time allowed or if a protest is filed and then withdrawn within 30 days after the allowed time for filing a protest, the proposed activity shall be deemed to be authorized effective the day after the time allowed for protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request for authorization will be considered by the Commission.

Protests must comply with the requirements specified in section 157.205(e) of the Commission's regulations,³ and must be submitted by

the protest deadline, which is 5:00 p.m. Eastern Time on October 13, 2026. Filings that do not meet requirements of 18 CFR 157.205(e)(2)⁴ will not be considered protests by the Commission.⁵ A protest may also serve as a motion to intervene so long as the protestor states it also seeks to be an intervenor.

Interventions

Any person has the option to file a motion to intervene in this proceeding. Only intervenors have the right to request rehearing of Commission orders issued in this proceeding and to subsequently challenge the Commission's orders in the U.S. Circuit Courts of Appeal.

To intervene, you must submit a motion to intervene to the Commission in accordance with Rule 214 of the Commission's Rules of Practice and Procedure⁶ and the regulations under the NGA⁷ by the intervention deadline for the project, which is 5:00 p.m. Eastern Time on October 13, 2026. As described further in Rule 214, your motion to intervene must state, to the extent known, your position regarding the proceeding, as well as your interest in the proceeding. For an individual, this could include your status as a landowner, ratepayer, resident of an impacted community, or recreationist. You do not need to have property directly impacted by the project in order to intervene. For more information about motions to intervene, refer to the FERC website at <https://www.ferc.gov/resources/guides/how-to/intervene.asp>.

All timely, unopposed motions to intervene are automatically granted by operation of Rule 214(c)(1). Motions to intervene that are filed after the intervention deadline are untimely and may be denied. Any late-filed motion to intervene must show good cause for being late and must explain why the time limitation should be waived and provide justification by reference to factors set forth in Rule 214(d) of the Commission's Rules and Regulations. A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies (paper or electronic) of all documents filed by the applicant and by all other parties.

Comments

Any person wishing to comment on the project may do so. The Commission
