SUPPLEMENTARY INFORMATION:

As required by the Paperwork Reduction Act of 1995 (Pub. L. 104–13) as amended (44 U.S.C. chapter 35), OPM is soliciting comments for this collection (OMB No. 3206–0156). The Office of Personnel Management is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of functions of the agency, including whether the information will have practical utility;
2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
3. Enhance the quality, utility, and clarity of the information to be collected; and
4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Standard Form (SF) 2800 is needed to collect information so that OPM can pay death benefits to the survivors of Federal employees and annuitants in the Civil Service Retirement System (CSRS). SF 2800A allows OPM to collect the information needed for deaths in service, including information so that survivors can make the needed elections regarding military service. OPM is considering whether the SF 2800 and SF 2800A forms should be common forms since they are used by agencies across government.
