Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Form NIST-366A: Request for Personal Radiation Monitoring Services

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on May 29, 2026, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: National Institute of Standards and Technology (NIST), Commerce.

Title: Form NIST-366A: Request for Personal Radiation Monitoring Services.

OMB Control Number 0693-0086.

Form Number(s): NIST-366A.

Type of Request: Regular.

Number of Respondents: 600.

Average Hours per Response: 15 minutes.

Burden Hours: 150 hours.

Needs and Uses: This request is to extend clearance for the collection of routine information requested of individuals (including but not limited to federal employees, visitors, contractors, associates) who work with or around sources of ionizing radiation on the NIST campus.

The information is collected for the following purposes:

(1) NIST is required by 10 CFR 20.1502 to monitor individuals who

may be exposed to ionizing radiation above specific levels. This form will be used to collect information associated with this monitoring and to determine the type of monitoring required.

(2) NIST is required by 10 CFR 20.2106 to maintain records of radiation exposure monitoring. This form will be used to ensure the exposure information collected is properly associated with the individual using unique identifiers. In addition, NIST must provide reports to the monitored individuals when requested and to the NRC annually. This form will be used to ensure the correct information is provided to the individual.

Affected Public: Individuals.

Frequency: On occasion.

Respondent's Obligation: Mandatory.

Legal Authority: 10 CFR 20.1502 and 10 CFR 20.2106.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the collection or the OMB Control Number 0693-0086.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Infrastructure Investment and Jobs Act, 2021 (Infrastructure Act or Act), which was adopted on November 15, 2021, provided \$65 billion of funding for programs to close the digital divide and ensure that all Americans have access to high-speed broadband. NTIA administers multiple broadband connectivity grant programs funded by the Act, including the Competitive Grant Program (CGP) which is authorized under 47 U.S.C. 1724 (<https://www.govinfo.gov/link/uscode/47/1724>). CGP provides federal funding
