Comments are requested concerning: (1) the accuracy of the Board’s burden estimates; (2) ways to enhance the quality, utility, and clarity of the information collected; (3) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology, when appropriate; and (4) whether the collection of information is necessary for the proper performance of the functions of the Board, including whether the collection has practical utility. Submitted comments will be summarized and included in the Board’s request for OMB approval.

Description of Collection

Title: FAST Act Dispute Resolution Procedures.

OMB Control Number: 2140–0036.

STB Form Number: None.

Type of Review: Extension without change.

Respondents: Parties seeking the Board’s informal assistance under

Fixing America’s Surface Transportation Act, Public Law 114–94 (signed Dec. 4, 2015) (FAST Act).

Number of Respondents: One.

Estimated Time per Response: Two hours.

Frequency: On occasion.

Total Burden Hours (annually including all respondents): Two hours (estimated hours per response (2) × total number of responses (1)).

Total Annual “Non-hour Burden” Cost (such as start-up and mailing costs): There are no non-hourly burden costs for this collection.

Needs and Uses: Title XI of the FAST Act, entitled “Passenger Rail Reform and Investment Act of 2015,” gives the Board jurisdiction to resolve cost allocation and access disputes between the National Railroad Passenger Corporation (Amtrak), the states, and potential non-Amtrak operators of intercity passenger rail service. The FAST Act directs the Board to establish procedures for the resolution of these disputes, “which may include the provision of professional mediation services.” 49 U.S.C. 24712(c)(2), 24905(c)(4). Under 49 CFR 1109.5, the Board provides that parties to a dispute involving the State-Sponsored Route Committee or the Northeast Corridor Committee may, by a letter submitted to OPAGAC, may request the Board’s informal assistance in securing outside professional mediation services. The letter shall include a concise description of the issues for which outside professional mediation services are sought. The collection by the Board of these request letters enables the Board to meet its statutory duty under the FAST Act.

Under the PRA, a federal agency that conducts or sponsors a collection of information must display a currently valid OMB control number. A collection of information, which is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c), includes agency requirements that persons submit reports, keep records, or provide information to the agency, third parties, or the public. Section 3507(b) of the PRA requires, concurrent with an agency’s submitting a collection to OMB for approval, a 30-day notice and comment period through publication in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information.

Description of Collection

Title: System Diagram Maps (or, in the case of Class III carriers, the alternative narrative description of rail system).

OMB Control Number: 2140-0003.

Form Number: None.

Type of Review: Extension without change.

Respondents: Common carrier freight railroads that are either new or reporting changes in the status of one or more of their rail lines.

Number of Respondents: 1.

Estimated Time per Response: 4.5 hours.

Frequency of Response: On occasion.

Total Annual Burden Hours: 4.5 hours.

Total "Non-hour Burden" Cost: No "non-hour cost" burdens associated with this collection have been identified. The information is submitted electronically.

Needs and Uses: Under 49 CFR 1152.10-1152.13, railroads subject to the Board's jurisdiction must keep current system diagram maps on file, or alternatively, in the case of a Class III carrier, to submit the same information in narrative form. The information sought in this collection identifies all lines in a particular railroad's system, categorized to indicate the likelihood that service on a particular line will be abandoned and/or whether service on a line is currently provided under the financial assistance provisions of 49 U.S.C. 10904. Carriers are obligated to amend these maps as the need to change the category of any particular line arises.
