SUPPLEMENTARY INFORMATION: The Computer Matching and Privacy Protection Act of 1988 (Pub. L. 100–503) amended the Privacy Act of 1974 (5 U.S.C. 552a) by establishing procedural safeguards governing agencies' use of computerized matching programs. Section 7201 of the Omnibus Budget Reconciliation Act of 1990 further amended the Privacy Act by strengthening protections for individuals whose records are used in matching programs.

The Payment Integrity Information Act of 2019 (31 U.S.C. 3351 *et seq.*) authorizes the head of the agency operating the Do Not Pay Working System, in consultation with OMB, to waive the computer matching agreement requirements of 5 U.S.C. 552a(o) in any case or class of cases for matching activities conducted under 31 U.S.C. 3354. Pursuant to that authority, the Secretary of the Treasury, after consulting with the OMB Director, authorized a four-year waiver for the class of matching programs meeting the criteria established in OMB Memorandum M–25–32, *Preventing Improper Payments and Protecting Privacy Through Do Not Pay.*

OPM has determined that the matching program described in this notice satisfies the eligibility requirements for that waiver.

Participating Agencies

The Office of Personnel Management and the Department of the Treasury, Bureau of the Fiscal Service, Do Not Pay Working System.

Authority for Conducting the Matching Program

The Payment Integrity Information Act of 2019 (31 U.S.C. 3351–3358), including 31 U.S.C. 3354; Executive Order 14249, *Protecting America's Bank Account Against Fraud, Waste, and Abuse;* OMB Memorandum M–25–32, *Preventing Improper Payments and Protecting Privacy Through Do Not Pay;* and OPM's authorities for administering retirement benefits under chapters 83 and 84 of title 5, United States Code.

Purpose(s)

The purpose of this matching program is to support OPM Retirement Services' verification of continued eligibility for retirement benefit payments under Civil Service Retirement System (CSRS) and Federal Employees Retirement System (FERS) by comparing appropriate records with records maintained in Treasury's Do Not Pay Working System. Do Not Pay match results will not be used as the sole basis for suspending, terminating, denying, or recouping retirement benefits. OPM will independently verify any potential match and provide any notice, opportunity to contest, appeal rights, or other procedural protections by applicable law, regulation, or policy before taking adverse action.

Categories of Individuals

Former Federal employees, annuitants, survivors, beneficiaries, and other individuals whose records are maintained by OPM Retirement Services in connection with retirement benefits administered under the CSRS and FERS.

System(s) of Records

The records contained within the DNP Working System are maintained in the system of records known as Department of the Treasury, Bureau of the Fiscal Service .017—Do Not Pay Payment Verification Records (85 FR 11776). This system of records includes those databases designated to be included in the DNP Working System by the Payment Integrity Information Act of 2019 as well as other databases designated for inclusion by the Director of the Office of Management and Budget, or the designee of the Director, in consultation with executive agencies. Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (''Act''),[1] and Rule 19b–4 thereunder,[2] notice is hereby given that on August 19, 2026, Nasdaq PHLX LLC (''Phlx'' or ''Exchange'') filed with the Securities and Exchange Commission (''SEC'' or ''Commission'') the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

[1] 15 U.S.C. 78s(b)(1).

[2] 17 CFR 240.19b–4.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Options 1, Section 1, Applicability, Definitions and References; Options 2, Section 1, Application for Approval as an SQT, RSQT, or RSQTO and Assignment in Options; Options 4A, Section 6, Position Limits; Options 7, Section 1, General Provisions; and Options 8, Section 11, Floor Market Maker and Lead Market Maker Appointment, Section 25, Floor Allocation, and Section 39, B–6, Priority of Options Orders for Equity Options, Index Options and U.S. Dollar-Settled Foreign Currency Options by Account Type (EQUITY OPTION, INDEX OPTION AND U.S. DOLLAR-SETTLED FOREIGN CURRENCY OPTION ONLY).

The text of the proposed rule change is available on the Exchange's website at *https://listingcenter.nasdaq.com/rulebook/phlx/rulefilings,* and at the principal office of the Exchange.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Phlx proposes to amend the following Rules: Options 1, Section 1, Applicability, Definitions and References; Options 2, Section 1, Application for Approval as an SQT, RSQT, or RSQTO and Assignment in Options; Options 4A, Section 6, Position Limits; Options 7, Section 1, General Provisions; and Options 8, Section 11, Floor Market Maker and Lead Market Maker Appointment, Section 25, Floor Allocation, and Section 39, B–6, Priority of Options Orders for Equity Options, Index Options and U.S. Dollar-Settled Foreign Currency Options by Account Type (EQUITY OPTION, INDEX OPTION AND U.S. DOLLAR-SETTLED FOREIGN CURRENCY OPTION ONLY).

Alphabetize Definitions and Amend Rule Citations

The Exchange proposes to amend Options 1, Section 1, Applicability, Definitions and References, to alphabetize the defined terms and make corresponding rule citation corrections at: Options 2, Section 1 (Application for Approval as an SQT, RSQT, or RSQTO and Assignment in Options); Options 7, Section 1 (General Provisions); and Options 8, Section 11 (Floor Market Maker and Lead Market Maker Appointment). The Exchange also proposes to amend Options 1, Section 1(b)(49) to change ''an'' to ''a'' within the description. These proposed amendments are non-substantive.

Remove Extraneous Text

The Exchange proposes to remove extraneous words from Options 4A, Section 6, Options Index Rules. The phrase ''in excess of 100,000 contracts for its own account or for the account of a customer'' is repeated twice in a row within the rule text. The Exchange proposes to remove the inadvertently repeated text. This proposed amendment is non-substantive.

Undefined Term and Conforming Usage of Term

The Exchange proposes to amend Options 8, Section 25, Floor Allocation, to replace the legacy term ''Off-Floor Broker-Dealer'' with ''broker-dealer.'' The term ''Off-Floor Broker-Dealer'' was removed from Phlx's Rules in 2025.[3] Phlx noted in that rule proposal that off-floor broker-dealers should be treated the same as other market participants. Therefore, Phlx believes the term ''broker-dealer'' is the appropriate replacement for this term because the term ''Off-Floor Broker-Dealer'' was not meant to refer to any specific floor participant currently defined in the

[3] *See* Securities Exchange Act Release No. 101989 (December 30, 2024), 89 FR 106888 (December 31, 2024) (SR–Phlx–2024–71). The term ''Off-Floor Broker-Dealer Order'' meant an order delivered from off the floor of the Exchange by or on behalf of a broker-dealer for the proprietary account(s) of such broker-dealer, including an order for a market maker located on an exchange or trading floor other than the Exchange's trading floor delivered electronically for the proprietary account(s) of such market maker.
