

[site-help/electronic-sub-ref-mat.html](https://www.nrc.gov/site-help/electronic-sub-ref-mat.html)). A filing is considered complete at the time the document is submitted through the NRC's E-Filing system. To be timely, an electronic filing must be submitted to the E-Filing system no later than 11:59 p.m. ET on the due date. Upon receipt of a transmission, the E-Filing system time-stamps the document and sends the submitter an email confirming receipt of the document. The E-Filing system also distributes an email that provides access to the document to the NRC's Office of the General Counsel and any others who have advised the Office of the Secretary that they wish to participate in the proceeding, so that the filer need not serve the document on those participants separately. Therefore, applicants and other participants (or their counsel or representative) must apply for and receive a digital ID certificate before adjudicatory documents are filed in order to obtain access to the documents via the E-Filing system.

A person filing electronically using the NRC's adjudicatory E-Filing system may seek assistance by contacting the NRC's Electronic Filing Help Desk through the "Contact Us" link located on the NRC's public website (<https://www.nrc.gov/site-help/e-submittals.html>), by email to MSHD.Resource@nrc.gov, or by a toll-free call at 1-866-672-7640. The NRC Electronic Filing Help Desk is available between 9 a.m. and 6 p.m., ET, Monday through Friday, except Federal holidays.

Participants who believe that they have good cause for not submitting documents electronically must file an exemption request, in accordance with 10 CFR 2.302(g), with their initial paper filing stating why there is good cause for not filing electronically and requesting authorization to continue to submit documents in paper format. Such filings must be submitted in accordance with 10 CFR 2.302(b)–(d). Participants filing adjudicatory documents in this manner are responsible for serving their documents on all other participants. Participants granted an exemption under 10 CFR 2.302(g)(2) must still meet the electronic formatting requirement in 10 CFR 2.302(g)(1), unless the participant also seeks and is granted an exemption from 10 CFR 2.302(g)(1).

Documents submitted in adjudicatory proceedings will appear in the NRC's electronic hearing docket, which is publicly available on the NRC's public website (<https://ehd.nrc.gov>), unless otherwise excluded pursuant to an order of the presiding officer. If you do not have an NRC-issued digital ID certificate as previously described, click "cancel" when the link requests certificates and

you will be automatically directed to the NRC's electronic hearing docket where you will be able to access any publicly available documents in a particular hearing docket. Participants are requested not to include personal privacy information such as social security numbers, home addresses, or personal phone numbers in their filings, unless an NRC regulation or other law requires submission of such information. With respect to copyrighted works, except for limited excerpts that serve the purpose of the adjudicatory filings and would constitute a Fair Use application, participants should not include copyrighted materials in their submission.

The Commission will issue a notice or order granting or denying a hearing request or intervention petition, designating the issues for any hearing that will be held and designating the Presiding Officer. A notice granting a hearing will be published in the **Federal Register** and served on the parties to the hearing.

For further details with respect to this application, see the application dated July 15, 2026 (ADAMS Accession No. ML26196A362).

VI. Access to Sensitive Unclassified Non-Safeguards Information for Contention Preparation

Any person who desires access to proprietary, confidential commercial information that has been redacted from the application should contact the applicant by telephoning Shayan Sinha (804) 273-4687 for the purpose of negotiating a confidentiality agreement or a proposed protective order with the applicant. If no agreement can be reached, persons who desire access to this information may file a motion with the Secretary and addressed to the Commission that requests the issuance of a protective order.

I. Introduction

On August 21, 2026, pursuant to 39 CFR 3040.180–3040.181, the Postal Service filed a request to make material changes to the description of International Direct Sacks—Airmail M-Bags (M-Bags) in the *Mail Classification Schedule* (MCS) section 2330 by removing outbound M-Bags, and to make accompanying changes to MCS sections 2320, 2615.1, and the Notes in

Part D Country Price Lists for International Mail.¹

II. Contents of Filing

The Postal Service states that it proposes these material changes to the MCS so that its offerings will align with certain amendments to the Universal Postal Union (UPU) Universal Postal Convention (Convention) that are related to M-Bags. Request at 1. The Postal Service states that the 2023 UPU Riyadh Extraordinary Congress amended the Convention to remove M-Bags as a basic service and instead add it as an optional supplementary service, effective January 1, 2025.² The Postal Service states that the postal operators of 53 countries subsequently decided that they would no longer accept inbound M-Bags.³ The Postal Service states that the decision of these countries to leave the M-Bags network as well as the overall reduction in demand for printed matter distribution led to a significant decline in M-Bags volume. *Id.*

Therefore, the Postal Service requests, effective January 17, 2027, to remove the outbound M-Bags from MCS section 2330 and to make the following accompanying changes to: (1) MCS section 2320, to provide additional information about International Priority Airmail M-Bags; (2) MCS section 2615.1, to remove the combination of International Certificate of Mailing with M-Bags; and (3) Notes in Part D Country Price Lists for International Mail. *Id.*

The Postal Service includes a copy of Governors' Decision No. 26-4 supporting the Request in Attachment 1, and a copy of the applicable sections of the MCS and the proposed changes in legislative format in Attachment 2. *Id.* at 1-2; *id.* Attachments 1-2. The Postal Service provides supporting

III. Commission Action

The Commission establishes Docket No. MC2026-356 for consideration of matters raised by the Request. The Commission invites comments on whether the Postal Service's filing is consistent with 39 U.S.C. 3633 and 39 CFR 3040.180 and 3040.181. Comments are due September 8, 2026. The public portions of the filings can be accessed via the Commission's website (<https://www.prc.gov>).

The Commission appoints Samuel Robinson to represent the interests of the general public (Public Representative) in this docket, pursuant to 39 CFR 3010.101(q)(3). The Public Representative does not represent any individual person, entity, or particular point of view, and, when Commission attorneys are appointed, no attorney-client relationship is established.
