Federal Emergency Management Agency

[Docket ID: FEMA–2025–0377; OMB No. 1660–0085]

Agency Information Collection Activities: Submission for OMB Review, Comment Request; Crisis Counseling Assistance and Training Program

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 30-Day Notice of Extension and Request for Comments.

SUMMARY: The Federal Emergency Management Agency (FEMA) will submit the information collection abstracted below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. FEMA invites the general public to take this opportunity to comment on an extension of a currently approved information collection. In accordance with the requirements of the Paperwork Reduction Act of 1995, this notice seeks comments concerning the Crisis Counseling Assistance and Training Program, which provides Federal funding in response to a State or Federally recognized Tribe's request for Crisis Counseling services for a presidentially declared major disaster or emergency.

DATES: Comments must be submitted on or before October 1, 2026.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection should be made to Director, Information Management Division, 500 C Street SW, Washington, DC 20472, email address FEMA-Information-Collections-Management@fema.dhs.gov or Heather Spadaro, State-Led Disaster Services Section, Individual Assistance Division, FEMA, 202–646–3642, and FEMA-HQ-IA-SDB-SLDS@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: Section 416 of the Robert T. Stafford Disaster

Relief and Emergency Assistance Act (Pub. L. 93–288, as amended and codified at 42 U.S.C. 5183) (Act, or Stafford Act) authorizes the President to provide professional counseling services, including financial assistance to States (which includes the fifty states, the District of Columbia, and the U.S. territories), Federally recognized Indian Tribal governments, local agencies or private mental health organizations, to survivors of major disasters to relieve mental health problems caused or aggravated by a major disaster or its aftermath. Additionally, the President is authorized to provide these same services under section 416 of the Act for a declared emergency pursuant to section 502(a)(6) of the Act, 42 U.S.C. 5192(a)(6). The implementing regulations for section 416 of the Stafford Act are at 44 CFR 206.171. Under 44 CFR 206.171 and by agreement, the U.S. Department of Health and Human Services—Center for Mental Health Services (HHS–CMHS), which has expertise in crisis counseling, coordinates with FEMA in administering the Crisis Counseling Assistance and Training Program (CCP). FEMA and HHS–CMHS provide program oversight, technical assistance, and training to States and Federally recognized Tribes applying for CCP funding for declared major disasters or emergencies. The information submitted in the application is disaster-specific. The information submitted is used in the consideration of the following: funding for community outreach services, public education on behavioral health matters, group and individual crisis counseling, and resource and referral information (including coping techniques).

This proposed information collection previously published in the **Federal Register** on February 11, 2026, at 91 FR 6241 with a 60-day public comment period. No comments were received. The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance.

Collection of Information

Title: Crisis Counseling Assistance and Training Program.

Type of Information Collection: Extension, without change, of a currently approved information collection.

OMB Number: 1660–0085.

FEMA Forms: FEMA Form FF–104–FY–21–148 (formerly 003–0–1), Crisis Counseling Assistance and Training Program (CCP), Immediate Services Program (ISP) Application; FEMA Form

FF-104-FY-21-149 (formerly 003-0-2), Crisis Counseling Assistance and Training Program (CCP) Regular Services Program (RSP) Application; CCP ISP Final Report Narrative; CCP RSP Quarterly Report Narrative; CCP Final RSP Report Narrative.

Abstract: The CCP consists of two grant programs, the ISP and RSP. The ISP and RSP provide supplemental funding to States and Federally recognized Tribes following a Presidentially declared major disaster or emergency under the Stafford Act. These grant programs provide funding for training and services, including community outreach, public education, and counseling techniques. States and Federally recognized Tribes are required to submit an application that provides information on needs assessment, plan of service, program management, and an accompanying budget. The information being collected from both forms will be used to determine if existing resources are adequate to meet the behavioral health needs of disaster survivors and to determine if supplemental funds for crisis counseling services are necessary. Additionally, the information gathered from these forms will help to ensure the program's objectives are met and grants are properly administered in accordance with all applicable laws and regulations.

Transportation Security Administration

Revision of Agency Information Collection Activity Under OMB Review: Cybersecurity Measures for Surface Modes

AGENCY: Transportation Security Administration, DHS.

ACTION: 30-Day notice.

SUMMARY: This notice announces that the Transportation Security Administration (TSA) has forwarded the Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652-0074, abstracted below, to OMB for a revision of the currently approved collection under the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection and its expected burden. The collection involves the designation of a Cybersecurity Coordinator; the reporting of cybersecurity incidents to the Cybersecurity and Infrastructure Security Agency; the development of a cybersecurity contingency/recovery plan to address cybersecurity gaps; and the completion of a cybersecurity assessment.

DATES: Send your comments by October 1, 2026. A comment to OMB is most effective if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under Review—Open for Public Comments" and by using the find function.

FOR FURTHER INFORMATION CONTACT: Christina A. Walsh, TSA PRA Officer, Information Technology, TSA-11, Transportation Security Administration, 6595 Springfield Center Drive,

Springfield, VA 20598-6011; telephone (571) 227-2062; email TSAPRA@tsa.dhs.gov.

SUPPLEMENTARY INFORMATION: TSA published a **Federal Register** notice, with a 60-day comment period soliciting comments, of the following collection of information on April 16, 2026, 91 FR 20475.

Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at <https://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.
