POSTAL REGULATORY COMMISSION

[Docket Nos. MC2026–361 and K2026–352]

New Postal Products

AGENCY: Postal Regulatory Commission.

ACTION: Notice.

SUMMARY: The Commission is noticing a recent Postal Service filing for the Commission's consideration concerning a negotiated service agreement. This notice informs the public of the filing, invites public comment, and takes other administrative steps.

DATES: *Comments are due:* September 4, 2026.

ADDRESSES: Submit comments electronically via the Commission's Filing Online system at *https://www.prc.gov.* Those who cannot submit comments electronically should contact the person identified in the **FOR FURTHER INFORMATION CONTACT** section by telephone for advice on filing alternatives.

FOR FURTHER INFORMATION CONTACT: David A. Trissell, General Counsel, at 202–789–6820.

SUPPLEMENTARY INFORMATION:

Table of Contents

I. Introduction

Pursuant to 39 CFR 3041.405, the Commission gives notice that the Postal Service filed request(s) for the Commission to consider matters related to Competitive negotiated service agreement(s). The request(s) may propose the addition of a negotiated service agreement from the Competitive product list or the modification of an existing product currently appearing on the Competitive product list.

The public portions of the Postal Service's request(s) can be accessed via the Commission's website (*http://www.prc.gov*). Non-public portions of the Postal Service's request(s), if any, can be accessed through compliance with the requirements of 39 CFR 3011.301.[1]

Section II identifies the docket number(s) associated with each Postal Service request, if any, that will be reviewed in a public proceeding as defined by 39 CFR 3010.101(p), the title of each such request, the request's acceptance date, and the authority cited by the Postal Service for each request. For each such request, the Commission appoints an officer of the Commission to represent the interests of the general public in the proceeding, pursuant to 39 U.S.C. 505 and 39 CFR 3000.114 (Public Representative). The Public Representative does not represent any individual person, entity or particular point of view, and, when Commission attorneys are appointed, no attorney-client relationship is established. Section II also establishes comment deadline(s) pertaining to each such request.

The Commission invites comments on whether the Postal Service's request(s) identified in Section II, if any, are consistent with the policies of title 39. Applicable statutory and regulatory requirements include 39 U.S.C. 3632, 39 U.S.C. 3633, 39 U.S.C. 3642, 39 CFR part 3035, and 39 CFR part 3041. Comment deadline(s) for each such request, if any, appear in Section II.

Section III identifies the docket number(s) associated with each Postal Service request, if any, to add a standardized distinct product to the Competitive product list or to amend a standardized distinct product, the title of each such request, the request's acceptance date, and the authority cited by the Postal Service for each request. Standardized distinct products are negotiated service agreements that are variations of one or more Competitive products, and for which financial models, minimum rates, and classification criteria have undergone advance Commission review. *See* 39 CFR 3041.110(n); 39 CFR 3041.205(a). Such requests are reviewed in summary proceedings pursuant to 39 CFR 3041.325(c)(2) and 39 CFR 3041.505(f)(1). Pursuant to 39 CFR 3041.405(c)–(d), the Commission does not appoint a Public Representative or request public comment in proceedings to review such requests.

II. Public Proceeding(s)

1. *Docket No(s).:* MC2026–361 and K2026–352; *Filing Title:* USPS Request to Add Priority Mail Express International, Priority Mail International & First-Class Package International

[1] *See* Docket No. RM2018–3, Order Adopting Final Rules Relating to Non-Public Information, June 27, 2018, Attachment A at 19–22 (Order No. 4679).

Service Contract 123 to Competitive Product List and Notice of Filing Materials Under Seal; *Filing Acceptance Date:* August 27, 2026; *Filing Authority:* 39 U.S.C. 3642, 39 CFR 3035.105, and 39 CFR 3041.310; *Public Representative:* Kenneth Moeller; *Comments Due:* September 4, 2026.

III. Summary Proceeding(s)

None. *See* Section II for public proceedings.

This Notice will be published in the **Federal Register**.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–106213; File No. SR–NASDAQ–2026–068]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Exchange's Listing Fees for Exchange-Traded Products and Add a New Quality Liquidity Provider Program

August 27, 2026.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (''Act''),[1] and Rule 19b–4 thereunder,[2] notice is hereby given that on August 18, 2026, The Nasdaq Stock Market LLC (''Nasdaq'' or ''Exchange'') filed with the Securities and Exchange Commission (''SEC'' or ''Commission'') the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to (i) amend the Exchange's listing fees for exchange-traded products (''ETPs'') at Rule 5940, and (ii) add a new Quality Liquidity Provider (as defined below) program in Equity 7, Section 114(h).

While these amendments are effective upon filing, the Exchange has designated the proposed amendments to be operative on September 1, 2026.

The text of the proposed rule change is available on the Exchange's website at *https://listingcenter.nasdaq.com/rulebook/nasdaq/rulefilings,* and at the principal office of the Exchange.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to (i) amend the Exchange's listing fees for exchange-traded products (''ETPs'') in Rule 5940, and (ii) add a new Quality Liquidity Provider[3] (''QLP'') program in Equity 7, Section 114(h). Together, these proposed changes are intended to create a more scalable, targeted, and effective market quality support structure for Nasdaq-listed ETPs that provides issuers with more flexibility to align their annual listing fees with service levels, expands participation opportunities for high performing market makers, and enhances incentives in lower volume Nasdaq-listed ETPs.

Premier Annual Listing Fee

Today, pursuant to Rule 5940(b)(1), the Exchange assesses most ETPs that are listed under Nasdaq's Rule 5700 Series a flat annual fee (''Standard Annual Listing Fee'') of $4,000 for each product.[4]

The Exchange proposes to introduce a new ''Premier Annual Listing Fee'' of $50,000 per product for issuers of ETPs listed on Nasdaq under the Rule 5700 Series. This new Premier Annual Listing Fee will be an alternative to the current $4,000 Standard Annual Listing Fee. The new listing fee will provide issuers with access to expanded liquidity support services for their Nasdaq-listed ETPs, and in particular, eligibility for their ETPs to participate in the QLP program. As discussed in more detail later in this filing, the QLP program will provide incentives to the registered market maker of the issuer's ETP (*i.e.,* the QLP) that meet performance metrics specified therein. In connection with this change, the Exchange proposes to rename the current ''All-Inclusive Annual Listing Fee'' to the ''Standard Annual Listing Fee.'' The fee amounts will remain unchanged for the Standard Annual Listing Fee. The Exchange also proposes to amend Rule 5940(b)(1) by specifying that the issuer of a series of Portfolio Depository Receipts, Index Fund Shares, Managed Fund Shares, Class ETF Shares, Exchange Traded Fund Shares, Commodity-Based Trust Shares, Currency Trust Shares, Commodity Index Trust Shares, Commodity Futures Trust Shares, Partnership Units, Trust Units, Managed Trust Shares, or Linked Securities or other security listed under the Rule 5700 Series where no other fee schedule is specifically applicable listed on The Nasdaq Global Market shall pay to Nasdaq either:

(i) a Standard Annual Listing Fee of $4,000 for each product that is a series of Portfolio Depository Receipts, Index Fund Shares, Managed Fund Shares, Class ETF Shares, Exchange Traded Fund Shares, Commodity-Based Trust Shares, Currency Trust Shares, Commodity Index Trust Shares, Commodity Futures Trust Shares, Partnership Units, Trust Units, Managed Trust Shares, or Linked Securities or other security listed under the Rule 5700 Series where no other fee schedule is specifically applicable; or

(ii) for each product that is a series of Portfolio Depository Receipts, Index Fund Shares, Managed Fund Shares, Class ETF Shares, Exchange Traded Fund Shares, Commodity-Based Trust Shares, Currency Trust Shares, Commodity Index Trust Shares, Commodity Futures Trust Shares, Partnership Units, Trust Units, Managed Trust Shares, Linked Securities, Trust Issued Receipts, Proxy Portfolio Shares, or Managed Portfolio Shares only, a Premier Annual Listing Fee of $50,000 in order for the

[1] 15 U.S.C. 78s(b)(1).

[2] 17 CFR 240.19b–4.

[3] As set out in proposed paragraph (h)(2) of Equity 7, Section 114, a ''Quality Liquidity Provider'' or ''QLP'' is a registered Nasdaq market maker for a Qualified Security that has committed to maintain minimum performance standards. A QLP shall be selected by Nasdaq based on factors including, but not limited to, experience with making markets in exchange-traded products, adequacy of capital, willingness to promote Nasdaq as a marketplace, issuer preference, operational capacity, support personnel, and history of adherence to Nasdaq rules and securities laws. There may only be one QLP per Qualified Security.

[4] Specifically, Rule 5940(b)(1) currently applies to each product that is a series of Portfolio Depository Receipts (Rule 5705(a)), Index Fund Shares (Rule 5705(b)), Managed Fund Shares (Rule 5735), Class ETF Shares (Rule 5703), Exchange Traded Fund Shares (Rule 5704), Commodity-Based Trust Shares (Rule 5711(d)), Currency Trust Shares (Rule 5711(e)), Commodity Index Trust Shares (Rule 5711(f)), Commodity Futures Trust Shares (Rule 5711(g))), Partnership Units (Rule 5711(h)), Trust Units (Rule 5711(i)), Managed Trust Shares (Rule 5711(j)), or Linked Securities (Rule 5710) or other security listed under the Rule 5700 Series where no other fee schedule is specifically applicable.
