

of AM station directional antenna monitor. See § 73.69; (3) The location of a remote control point of an AM or FM station when prior authority to operate by remote control is not required.

47 CFR 73.3544(c) states that a change in the name of the licensee where no change in ownership or control is involved may be accomplished by electronically filing an Administrative Update via LMS by the licensee.

OMB Control Number: 3060–0320.

Title: Section 73.1350, Transmission System Operation.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities; not-for-profit institutions.

Number of Respondents and Responses: 505 respondents and 505 responses.

Estimated Time per Response: 0.5 hours.

Frequency of Response: On occasion reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this information collection is contained in 154(i) of the Communications Act of 1934, as amended.

Total Annual Burden: 253 hours.

Total Annual Cost: No cost.

Needs and Uses: The Commission is requesting an extension of this information collection in order to receive approval/clearance from the Office of Management and Budget (OMB) for three years. Other information collection requirements that are covered under this collection have not changed since last approved by OMB.

47 CFR 73.1350(h) requires licensees to submit a “letter of notification” to the FCC via a Change of Control Point Notice in the Commission’s Licensing and Management System (LMS) database, whenever a transmission system control point is established at a location other than at the main studio or transmitter within three days of the initial use of that point. The letter should include a list of all control points in use, for clarity. This notification is not required if responsible station personnel can be contacted at the transmitter or studio site during hours of operation.

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060–0991; FR ID 364550]

Information Collections Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice; request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission’s burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

DATES: Written PRA comments should be submitted on or before November 2, 2026. If you anticipate that you will be submitting comments but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email to PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418–2918.

SUPPLEMENTARY INFORMATION: The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

OMB Control Number: 3060–0991.

Title: AM Measurement Data.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents and Responses: 1,800 respondents; 3,135 responses.

Estimated Hours per Response: 0.50–25 hours.

Frequency of Response:

Recordkeeping requirement, Third party disclosure requirement, On occasion reporting requirement.

Total Annual Burden: 20,200 hours.

Total Annual Cost: \$1,131,500.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection of information is contained in sections 151, 152, 154(i), 303, and 307 of the Communications Act of 1934, as amended.

Needs and Uses: In order to control interference between stations and assure adequate community coverage, AM stations must conduct various engineering measurements to demonstrate that the antenna system operates as authorized. The data is used by station engineers to correct the operating parameters of the antenna. The data is also used by FCC staff in field investigations to ensure that stations are in compliance with the technical requirements of the Commission’s various rules.
