Certain Choline Salts From the People's Republic of China: Postponement of Preliminary Determination in the Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable September 1, 2026.

FOR FURTHER INFORMATION CONTACT: Kelsie Hohenberger at (202) 482–2517, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

³ See *Administrative Protective Order, Service, and Other Procedures in Antidumping and Countervailing Duty Proceedings: Final Rule*, 88 FR 67069 (September 29, 2023).

Background

On July 14, 2026, the U.S. Department of Commerce (Commerce) initiated a countervailing duty (CVD) investigation of imports of certain choline salts (choline salts) from the People's Republic of China (China).¹ Currently, the preliminary determination is due no later than September 17, 2026.

Postponement of Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On August 14, 2026, the petitioner² submitted a timely request that Commerce postpone the preliminary CVD determination.³ The petitioner stated that it requests postponement due to the time required to identify mandatory respondents, the number of programs under investigation, and the expected complexity of the issues.⁴ In accordance with 19 CFR 351.205(e), the petitioner has stated the reasons for requesting a postponement of the preliminary determination, and Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination to no later than 130 days after the date on which this investigation was initiated, *i.e.*,

SUPPLEMENTARY INFORMATION:

Background

On July 23, 2010, Commerce published the *Order* in the **Federal**

⁵ Postponing the preliminary determination to 130 days after initiation would place the deadline on Saturday, November 21, 2026. Commerce's practice dictates that, where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

Register.¹ On May 1, 2026, Commerce published the notice of initiation of this third sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930 (the Act).² On May 15, 2026, Commerce received a timely and complete notice of intent to participate in the sunset review from Metal Grating Coalition (domestic interested party) within the deadline specified in the 19 CFR 351.218(d)(1)(i).³ The domestic interested party claimed the interested party status within the meaning of section 771(9)(F) of the Act as an association of producers of the domestic like product; each of its individual members is a domestic producer and an interested party under section 771(9)(C) of the Act.⁴ On June 26, 2026, Commerce notified the U.S. International Trade Commission (ITC) that it had received a notice of intent to participate from the domestic interested parties.⁵

On June 1, 2026, pursuant to 19 CFR 351.218(d)(3)(i), domestic interested parties filed a timely and adequate substantive response.⁶ Commerce did not receive a substantive response from any respondent interested party. On June 26, 2026, Commerce notified the ITC that it did not receive substantive response from any respondent interested parties.⁷ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce is conducting an expedited (120-day) sunset review of the *Order*.

Analysis of Comments Received

A complete discussion of all issues raised in this sunset review, including the likelihood of continuation or recurrence of dumping in the event of revocation of the *Order* and the magnitude of the margins likely to prevail if the *Order* were to be revoked, is provided in the accompanying Issues and Decision Memorandum.⁹ A list of the topics discussed in the Issues and Decision Memorandum is attached in the Appendix to this notice.
