Certain Oil Country Tubular Goods From Austria: Preliminary Affirmative Countervailing Duty Determination and Alignment of Final Determination With Final Antidumping Duty Determination

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to producers and exporters of certain oil country tubular goods (OCTG) from Austria. The period of investigation is January 1, 2025, through December 31,

2025. Interested parties are invited to comment on this preliminary determination.

DATES: Applicable September 3, 2026.

FOR FURTHER INFORMATION CONTACT: Ian Riggs, AD/CVD Operations, Office IX, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3810.

SUPPLEMENTARY INFORMATION:

Background

This preliminary determination is made in accordance with section 703(b) of the Tariff Act of 1930, as amended (the Act). On April 28, 2026, Commerce published the notice of initiation of this countervailing duty (CVD) investigation.¹ On June 4, 2026, Commerce postponed the preliminary determination of this investigation, and the revised deadline is now August 31, 2026.²

For a complete description of the events that followed the initiation of this investigation, see the Preliminary Decision Memorandum.³ A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

Scope of the Investigation

The product covered by this investigation is OCTG from Austria. For a complete description of the scope of this investigation, see Appendix I.

Scope Comments

In accordance with the preamble to Commerce’s regulations,⁴ the *Initiation Notice* set aside a period of time for

parties to raise issues regarding product coverage, (*i.e.*, scope).⁵ Certain interested parties commented on the scope of the investigation as it appeared in the *Initiation Notice*. Commerce intends to issue its preliminary decision regarding comments concerning the scope of the companion less-than-fair-value (LTFV) investigations and this CVD investigation on or before the preliminary determination of the companion LTFV investigations. We will incorporate the scope decisions from the LTFV investigations into the scope of the final determination for this CVD investigation.

Methodology

Commerce is conducting this investigation in accordance with section 701 of the Act. For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶ For a full description of the methodology underlying our preliminary determination, see the Preliminary Decision Memorandum.

Alignment

As noted in the Preliminary Decision Memorandum, in accordance with section 705(a)(1) of the Act and 19 CFR 351.210(b)(4), Commerce is aligning the final CVD determination in this investigation with the final determination in the companion LTFV investigation of OCTG from Austria based on a request made by the U.S. OCTG Manufacturers Association, United States Steel Corporation, and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL–CIO, CLC (collectively, the petitioners).⁷ Consequently, the final CVD determination will be issued on the same date as the final antidumping duty determination, which is currently scheduled to be issued no later than January 12, 2027, unless postponed.

All-Others Rate

Sections 703(d) and 705(c)(5)(A) of the Act provide that in the preliminary determination, Commerce shall determine an estimated all-others rate for companies not individually

⁵ See *Initiation Notice*.

⁶ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

examined. This rate shall be an amount equal to the weighted average of the estimated subsidy rates established for those companies individually examined, excluding any zero and *de minimis* rates and any rates based entirely under section 776 of the Act. Commerce calculated an individual estimated countervailable subsidy rate for voestalpine Tubulars GmbH & Co KG (voestalpine Tubulars), the only individually examined exporter/producer in this investigation. Because the only individually calculated rate is not zero, *de minimis*, or based entirely on facts otherwise available, the estimated weighted-average rate calculated for voestalpine Tubulars is the rate preliminarily assigned to all other producers and exporters, pursuant to section 705(c)(5)(A)(i) of the Act.

Preliminary Determination

Commerce preliminarily determines that the following estimated countervailable subsidy rates exist:

Company	Net countervailable subsidy rate (percent ad valorem)
voestalpine Tubulars GmbH & Co KG ⁸	10.17
All Others	10.17

Suspension of Liquidation

In accordance with section 703(d)(2) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to suspend liquidation of entries of subject merchandise as described in the scope of the investigation section entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. Further, pursuant to section 703(d)(1)(B) of the Act and 19 CFR 351.107(e), Commerce will instruct CBP to require a cash deposit equal to the estimated company-specific countervailable subsidy rate or the estimated all-others rate, as follows: (1) the cash deposit rate for the respondents listed above will be equal to the company-specific estimated individual countervailable subsidy rates determined in this preliminary determination; (2) if both the producer and exporter of the subject merchandise have company-specific estimated subsidy rates determined in this preliminary determination, and their

rates differ, then the applicable cash deposit rate will be the higher of these two rates; (3) if either the producer or the exporter, but not both, of the subject merchandise have a company-specific estimated subsidy rate determined in this preliminary determination, the applicable cash deposit rate will be that company's company-specific rate; and (4) the cash deposit rate for all other producers and exporters will be equal to the estimated all-others subsidy rate.

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties in this preliminary determination within five days of its public announcement, or if there is no public announcement, within five days of the date of this notice in accordance with 19 CFR 351.224(b).

Consistent with 19 CFR 351.224(e), Commerce will analyze and, if appropriate, correct any timely allegations of significant ministerial errors by amending the preliminary determination. However, consistent with 19 CFR 351.224(d), Commerce will not consider incomplete allegations that do not address the significance standard under 19 CFR 351.224(g) following the preliminary determination. Instead, Commerce will address such allegations in the final determination together with issues raised in the case briefs or other written comments.

Verification

As provided in section 782(i)(1) of the Act, Commerce intends to verify the information relied upon in making its final determination.

Public Comment

Non-scope related case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the last verification report is issued in this investigation. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.⁹ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁰

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at

the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹¹ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this investigation. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹²

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce within 30 days after the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants and whether any participant is a foreign national; and (3) a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

U.S. International Trade Commission Notification

In accordance with section 703(f) of the Act, Commerce will notify the U.S. International Trade Commission (ITC) of its determination. If the final determination is affirmative, the ITC will determine before the later of 120 days after the date of this preliminary determination or 45 days after the final determination whether imports of OCTG from Austria are materially injuring, or threaten material injury to, the U.S. industry.

Notification to Interested Parties

This determination is issued and published pursuant to sections 703(f) and 777(i) of the Act and 19 CFR 351.205(c).

⁸ As discussed in the Preliminary Decision Memorandum, Commerce has found the following companies to be cross-owned with voestalpine Tubulars: voestalpine AG, voestalpine Metal Engineering GmbH, and voestalpine Stahl Donawitz GmbH.

On July 25, 2025, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty order on finished carbon steel flanges (flanges) from Spain, with respect to one respondent, ULMA Forja, S.Coop (ULMA).¹

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 90 FR

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in this administrative proceeding by 47 days.² Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 25, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.³ On April 28, 2026, we extended the preliminary results of this review by 113 days, in accordance with section of 751(a)(3) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(h)(2).⁴ Accordingly, the deadline for the preliminary results is now August 31, 2026.
