

the intermediate company(ies) involved in the transaction.¹⁵

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁶

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired, *i.e.*, within 90 days of publication.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the company listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated or reviewed companies not covered by this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the LTFV investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 10.67 percent, the all-others rate established in the LTFV investigation.¹⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of the Review

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice, unless extended, pursuant to section

751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: August 31, 2026.

SUPPLEMENTARY INFORMATION:

Background

On August 20, 2026, Commerce published in the **Federal Register** the final results of the 2023–2024 AD administrative review of stainless steel flanges from India.¹ We did not correctly list the company name “Viraj Profiles Private Limited,” which we found to be the successor in interest to “Viraj Profiles Limited,”² and part of the BFN/Viraj collective entity.³

Correction

In the **Federal Register** of August 20, 2026, in FR Doc 2026-17032, on page 53843, in the dumping margin rate table, correct the company name of the BFN/Viraj collective entity to: BFN Forgings Private Limited; Flanschen werk Bebitz GmbH; Viraj Alloys, Ltd.; Viraj Forgings, Ltd.; Viraj Impoexpo, Ltd.; and Viraj Profiles Private Limited.

In addition, in the **Federal Register** of August 20, 2026, in FR Doc 2026-17032, on page 53843, in the second column, following the “Changes Since the Preliminary Results” section and before the “Review-Specific Rate for Companies Not Selected for Individual Review” section, correct the text by including the below section and paragraph as follows:

Final Results of Successor-in-Interest Analysis

In the *Preliminary Results*, Commerce determined that Viraj Profiles Private Limited is the successor-in-interest to Viraj Profiles Limited. No party commented on this issue. Therefore, we continue to find that Viraj Profiles Private Limited is the successor-in-interest to Viraj Profiles Limited.

SUPPLEMENTARY INFORMATION:

Background

On July 25, 2025, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty order on certain cold-drawn mechanical tubing (cold-drawn mechanical tubing) from India.¹ This review covers two producers/exporters of subject merchandise.² On August 29, 2025, Commerce identified Goodluck India Limited; Good Luck Industries; Goodluck Industries; Good Luck Steel Tubes Limited (collectively, Goodluck) and Tube Products of India, Ltd., a unit of Tube Investments of India Limited (TII) as the mandatory respondents in this review.³

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁴ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁵ On April 8, 2026, we extended the preliminary results of

this review to no later than August 28, 2026.⁶

For a complete description of the events that followed the initiation of the review, *see* the Preliminary Decision Memorandum.⁷ A list of the topics discussed in the Preliminary Decision Memorandum is attached in the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

Scope of the Order

The product covered by the scope of this *Order* is cold-drawn mechanical tubing from India. For a full description of the scope, *see* the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusion, *see* the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, we preliminarily determine the following estimated weighted-average dumping margins exist for the period June 1, 2024, through May 31, 2025:

Producer/exporter	Weighted-average dumping margin (percent)
Goodluck India Limited; Good Luck Industries; Goodluck Industries; Good Luck Steel Tubes Limited	2.73
Tube Products of India, Ltd., a unit of Tube Investments of India Limited	4.54
