DEPARTMENT OF EDUCATION

[Docket No.: ED–2026–SCC–2345]

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Request for Title IV Reimbursement or Heightened Cash Monitoring 2 (HCM2)

AGENCY: Federal Student Aid (FSA), Department of Education (ED).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act (PRA) of 1995, the Department is proposing an extension without change of a currently approved information collection request (ICR).

DATES: Interested persons are invited to submit comments on or before October 5, 2026.

ADDRESSES: Written comments and recommendations for proposed information collection requests should be submitted within 30 days of publication of this notice. Click on this link www.reginfo.gov/public/do/PRAMain to access the site. Find this information collection request (ICR) by selecting “Department of Education” under “Currently Under Review,” then check the “Only Show ICR for Public Comment” checkbox. Reginfo.gov provides two links to view documents related to this information collection request. Information collection forms and instructions may be found by clicking on the “View Information Collection (IC) List” link. Supporting statements and other supporting documentation may be found by clicking on the “View Supporting Statement and Other Documents” link.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Carolyn Rose, (202) 453–5967.

SUPPLEMENTARY INFORMATION: The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how

might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Request for Title IV Reimbursement or Heightened Cash Monitoring 2 (HCM2).

OMB Control Number: 1845–0089.

Type of Review: Extension without change of a currently approved ICR.

Respondents/Affected Public: State, Local, and Tribal Governments; Private Sector.

Total Estimated Number of Annual Responses: 180.

Total Estimated Number of Annual Burden Hours: 180.

Abstract: 34 CFR part 668—Student Assistance General Provisions, Subpart K—Cash Management (§ 668.162) establishes the rules and procedures for a participating institution to request, maintain, disburse, and manage Title IV program funds. Institutions must complete and submit a Form 270 to request Title IV program funds while participating under the Reimbursement and Heightened Cash Monitoring payment methods as explained in § 668.162(c) and (d). We are requesting an extension of the currently approved information collection. There have been no changes to the information requested or the form since its prior approval in September 2023.

Ross Santy,

Chief Data Officer, Office of Planning, Evaluation and Policy Development.

DEPARTMENT OF ENERGY

Agency Information Collection Revision

AGENCY: U.S. Department of Energy.

ACTION: Notice of request for comments.

SUMMARY: The Department of Energy (DOE) invites public comment on a proposed revision to an approved information collection that DOE is submitting to the Office of Management and Budget (OMB) for review pursuant to the Paperwork Reduction Act of 1995. The information collection requests a revision of the approval for OMB Control Number 1910–5179, titled Energy and Jobs Survey.

DATES: Comments regarding this proposed information collection must be received on or before October 5, 2026. If you anticipate that you will be

submitting comments but find it difficult to do so within the period of time allowed by this notice, please advise the DOE Desk Officer at OMB of your intention to make a submission as soon as possible. The Desk Officer may be telephoned at (202) 881-9493.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Samson Adeshiyan, samson.adeshiyan@doe.gov, (240) 597-6490.

SUPPLEMENTARY INFORMATION:

Comments are invited on: (a) Whether the extended collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

This information collection request contains:

- (1) *OMB No.:* 1910-5179;
- (2) *Information Collection Request Titled:* Energy and Jobs Survey;
- (3) *Type of Review:* Revision;
- (4) *Purpose:* The nature of energy production, distribution, and consumption throughout the U.S. economy has dramatic impacts on job creation and economic competitiveness, but it is inadequately understood and incompletely measured by traditional labor market tools. The U.S. Energy and Employment Report collects data from relevant industries and quantifies employment in energy activities with data on workforce demographics and employer perceptions by geography. This data is used to generate an annual U.S. Energy and Employment Report as instructed by Congress in 42 U.S.C. 18841. This revision to data collection will streamline questions to reduce respondent burden, collect data on priority topics such as the usage of Artificial Intelligence (AI) in the energy sector, and will promote technology neutrality throughout the survey.

(5) *Annual Estimated Number of Respondents:* 45,406;

(6) *Annual Estimated Number of Total Responses:* 45,406;

(7) *Annual Estimated Number of Burden Hours:* 8,742;

(8) *Annual Estimated Reporting and Recordkeeping Cost Burden:* \$456,070.
Statutory Authority: 42 U.S.C. 18841.

Signing Authority

This document of the Department of Energy was signed on September 1, 2026, by Dr. Ashley Nunes, pursuant to delegated authority from the Acting Secretary of Energy. That document with the original signature and date is maintained by DOE. For administrative purposes only, and in compliance with requirements of the Office of the Federal Register, the undersigned DOE Federal Register Liaison Officer has been authorized to sign and submit the document in electronic format for publication, as an official document of the Department of Energy. This administrative process in no way alters the legal effect of this document upon publication in the **Federal Register**.

Signed in Washington, DC on September 2, 2026.

Treena V. Garrett

Federal Register Liaison Officer, U.S. Department of Energy.
