CFR 71.1 on an annual basis. This document amends the current version of that order, FAA Order JO 7400.11K, dated August 4, 2025, and effective September 15, 2025. These amendments will be published in the next update to FAA Order JO 7400.11. FAA Order JO 7400.11K, which lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points, is publicly available as listed in the **ADDRESSES** section of this document.

The Rule

This action amends 14 CFR part 71 by removing the Class E airspace extending upward from 700 ft. above the surface at Mason County Airport, Point Pleasant, West Virginia due to the cancellation of the instrument procedures and the airspace no longer being required.

Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore: (1) is not a ''significant regulatory action'' under Executive Order 12866; (2) is not a ''significant rule'' under DOT Order 2100.6B, ''Policies and Procedures for Rulemakings'' (March 10, 2025); and (3) is expected to result in, at most, de minimis costs from compliance with applicable operating requirements or minor flight rerouting for operators choosing to navigate around the controlled airspace. Since these amendments are routine and the expected impact to operators is de minimis, the FAA certifies that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1G, ''FAA National Environmental Policy Act Implementing Procedures,'' Paragraph B–2.5(a). This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

31 CFR Part 1010

Geographic Targeting Order Imposing Recordkeeping and Reporting Requirements on Certain Money Services Businesses Along the Southwest Border

AGENCY: Financial Crimes Enforcement Network (FinCEN), Treasury.

ACTION: Order.

SUMMARY: FinCEN is issuing this Geographic Targeting Order, requiring certain money services businesses along the southwest border of the United States to report and retain records of transactions in currency of $1,000 or more, but not more than $10,000, and to verify the identity of persons presenting such transactions.

DATES:

Effective date: This action is effective September 3, 2026.

Compliance date: The compliance date for persons that were not Covered Businesses under the Geographic Targeting Order published by FinCEN on March 10, 2026 (91 FR 11456), is October 3, 2026.

SUPPLEMENTARY INFORMATION:

I. Background

If the Secretary of the Treasury (Secretary) finds, upon his own initiative or at the request of an appropriate Federal or State law enforcement official, that reasonable grounds exist for concluding that additional recordkeeping and reporting requirements are necessary to carry out the purposes of the Bank Secrecy Act (BSA) [1] or to prevent evasions thereof, the Secretary may issue a Geographic Targeting Order (GTO) requiring any domestic financial institution or group of domestic financial institutions, or any domestic nonfinancial trade or business or group of domestic nonfinancial trades or businesses, in a geographic area to obtain such information as the Secretary may describe in such GTO concerning any transaction in which such financial institution or nonfinancial trade or business is involved in for the payment, receipt, or transfer of funds (as the Secretary may describe in such GTO), and concerning any other person participating in such transaction.[2] For any such transaction, the Secretary may require the financial institution or nonfinancial trade or business to maintain a record and/or file a report in the manner and to the extent specified.[3] The maximum effective period for a GTO is 180 days unless renewed.[4] The authority of the Secretary to issue a GTO has been delegated to the Director of FinCEN (Director).[5]

The Director finds that reasonable grounds exist for concluding that the additional recordkeeping and reporting requirements set forth in the GTO contained in this document (the ''Order'') are necessary to carry out the purposes of the BSA or to prevent evasions thereof. This action is being taken in furtherance of Treasury's efforts

[1] The Bank Secrecy Act, as amended, is codified at 12 U.S.C. 1829b, 1951–1960 and 31 U.S.C. 5311–5314, 5316–5336 and includes other authorities reflected in notes thereto. Regulations implementing the BSA appear at 31 CFR chapter X. The Secretary of the Treasury's authority to administer the BSA has been delegated to the Director of FinCEN. *See* Treasury Order 180–01 (Jan. 14, 2020).

to combat illicit finance by drug cartels and other illicit actors along the southwest border of United States. The Order does not alter any existing BSA obligation of a Covered Business (as defined in the Order), except as otherwise noted in the Order itself. Thus, for example, a Covered Business must continue to file Currency Transaction Reports (CTRs) for transactions in currency above $10,000 and Suspicious Activity Reports (SARs) where appropriate and in accordance with the BSA and applicable regulations. Although the dollar thresholds for filing SARs in the SAR regulation applicable to Covered Businesses remains the same (as low as $2,000),[6] FinCEN encourages the voluntary filing of SARs where appropriate to report transactions conducted to evade the $1,000 reporting threshold imposed by the Order.

II. Geographic Targeting Order

A. Businesses and Transactions Covered by This Order

1. For purposes of this Order, the term ''Covered Business'' means a money services business, as defined in 31 CFR 1010.100(ff), located in the Covered Geographic Area, except, for the period during which an applicable injunction remains in force, any money services business to which the government is enjoined by court order from applying the Geographic Targeting Order published by FinCEN on March 14, 2025 (90 FR 12106).

2. For purposes of this Order, a ''Covered Transaction'' means each deposit, withdrawal, exchange of currency or other payment or transfer, by, through, or to the Covered Business which involves a transaction in currency, of $1,000 or more, but not more than $10,000.

3. For purposes of this Order, a ''Covered Geographic Area'' means:

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
OMB Office of Management and Budget
NPRM Notice of Proposed Rulemaking
§ Section
U.S.C. United States Code
GA Georgia

II. Background Information and Regulatory History

The Coast Guard is issuing this final rule under the authority in (5 U.S.C. 553(b)(B). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are ‘‘impracticable, unnecessary, or contrary to the public interest.'' Under 5 U.S.C. 553(b), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because CSX Transportation railroad bridge, that once required draw operations in 33 CFR 117.371(b), was converted to a fixed bridge in August 2026. Therefore, the regulation is no longer applicable and shall be removed from publication. It is unnecessary to publish an NPRM because this regulatory action is inconsequential to the industry and does not have any impact on the public.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective in less than 30 days after publication in the **Federal Register**. The bridge has been converted to a fixed bridge, and this rule merely requires an administrative change to the **Federal Register**, in order to remove a regulatory requirement that is no longer applicable or necessary. The modification has already taken place, and the removal of the regulation will not affect mariners currently operating on this waterway. Therefore, a delayed effective date is unnecessary.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority 33 U.S.C. 499.

The CSX Transportation railroad bridge (Savannah River) was converted to a fixed bridge in August 2026. The elimination of this drawbridge necessitates the removal of the drawbridge operation regulation, 33 CFR 117.371(b), that pertains to the former drawbridge.

The purpose of this rule is to remove the paragraph of 33 CFR 117.371 that refers to the CSX Transportation railroad bridge at mile 60.9, from the Code of Federal Regulations since it governs a drawbridge that is no longer able to be opened.

IV. Discussion of Final Rule

The Coast Guard is removing the regulation in 33 CFR 117.371 related to
